DATE: TEN YEARS IN THE FUTURE

EXT. BLACK ROCK DESERT - NEVADA - SUNDOWN

THUNDER CRASHES. LIGHTNING FLASHES. A futuristic-looking aircraft, STARPHAZER, flies under a stormy sky in a HARD RAIN. The TWIN PEAKS of the BLACK ROCK MOUNTAINS come into view.

INT. STARPHAZER

The pilot, TOP CAT (mid 30', African American) speaks into his headset.

TOP CAT  
Top Cat at the wheel of steel.  
StarPhazer in bad air approaching  
Sky Portal.

MAJESTIC COMMAND & CONTROL (V.O.)  
StarPhazer you are cleared to enter  
Sky Portal.

EXT. STORMY SKY

An odd LIGHT flashes and a LUMINOUS PORTAL appears in the sky. StarPhazer flies into the portal and it closes with a flash as the plane vanishes.

EXT./INT. SKY PORTAL

StarPhazer appears inside the swirling vortex air space of Sky Portal.

MAJESTIC COMMAND & CONTROL (V.O.)  
Hitting The Fold in five.

After a few seconds, StarPhazer banks suddenly at a dizzying 90 degree angle with the left wing pointing down. Static energy crackles and flashes around the plane as it flies on its side.

MAJESTIC COMMAND & CONTROL (V.O.)  
Majestic City at your six.

EXT. MAJESTIC CITY AIRSPACE - MOMENTS LATER

StarPhazer emerges from Sky Portal into a BEAUTIFUL, EVENING SKY. Futuristic buildings appear below the belly of the plane though the plane is still tilted 90 degrees.

From the bizarre equilibrium we understand that Majestic City exists in another dimension.

MAJESTIC COMMAND & CONTROL (V.O.)  
Stand by, Top Cat, for sensory  
reorientation.

AERIAL CAMERA ROTATES TO NORMAL EQUILIBRIUM as StarPhazer flies through clear skies.

INT. STARPHAZER

MAJESTIC COMMAND & CONTROL (V.O.)  
StarPhazer you are cleared for  
landing, Launch Bay One.

TOP CAT  
Home sweet home.

EXT. MAJESTIC CITY

StarPhazer flies over the breathtaking futuristic domes and spires and descends into the landing area of Launch Bay One.

As the plane lands, CAMERA SPLITS OFF AND PANS INTO the large WALL TO WALL WINDOW of a,

INT. TRAINING AREA - CONTINUOUS

The training area is the size of an empty airplane hangar. The walls are polished and a large BLUE M is emblazoned on the floor.

ANTHONY "DAEDALUS" LUSTER (mid 20's) HANDSOME, ATHLETICALLY BUILT, ex fighter, is paralyzed from the chest down. He is wearing the high-tech DAEDALUS SKIN, named in his honor. The Daedalus Skin a semi-translucent, head to toe bodysuit, more like a second skin. Highly advanced GEARS, CIRCUITS, AND GEL RELAYS are visible through the two-ply construction. AQUA-BLUE GEL-BLOOD flows under the artificial epidermis skin layer. The Daedalus Skin is a work of bio-technical genius unlike anything ever invented.

Anthony performs fighting techniques that look impossible for a human being to do, as

ICKY LITTLE (14) is wearing a SILVER PAPERCLIP ON A CHAIN around his neck and a HEADSET. He is holding a HIGH TECH HANDHELD DEVICE that looks like a futuristic video game controller. He pushes button combinations sending commands to the Daedalus Skin that make Anthony execute the moves. Anthony SHOUTS COMMANDS into his HEADSET.

ANTHONY/DAEDALUS  
 CROSSBOW! RED ZONE! HELICOPTER!  
 COMBO FIVE! COMBO FOUR! CROSSOVER!  
 LUSTER-MASTER!

Anthony sweats as he leaps thirty feet in the air, spin-punches like helicopter blades, flips and kicks with digital precision. GELATINOUS ENERGY WAVES fibrillate under his boots maintaining his balance within the Daedalus Skin's own gravitational field.

Anthony and Icky have deeply serious expressions, not normal training at all. There is a sense that both of them are in despair and are trying to release some stress and frustration. Anthony jumps high into the air and shouts out a command.

ANTHONY/DAEDALUS  
 V-WINGS!!!

Icky pushes a button and a "V" SHAPED METAL FRAME snaps out from Anthony's back brace. A pair of luminous VIRTUAL WINGS appear from the "V" frame. Anthony streaks through the air like a stunt plane, spinning, flipping, diving, stopping in mid-air. The enormous room now seems small.

ANTHONY/DAEDALUS  
 COMBO THREE! COMBO TWO! COMBO ONE!  
 SANDSTORM! FINISHER!

The mid-air martial arts moves are stunning to watch. After the finishing move Anthony flies down to Icky on the ground.

ANTHONY/DAEDALUS  
 (sadly)  
 It's almost time.

ICKY  
 I don't know if I'm ready for this.

CU: ANTHONY'S PALM. He presses a button combination on his GLOVE SELF CONTROLLER and his right arm raises and rests on Icky shoulder. Together they walk across the large floor, across the big blue **M** and toward the exit.

INT. MAJESTIC CITY - HALL OF HEROES - LATER THAT EVENING

One thousand people dressed in formal MAJESTIC UNIFORMS, stand solemnly at a MEMORIAL SERVICE in a huge polished room with a towering ceiling. They are all wearing BLACK ARM BANDS with a BLUE **M** on their right arm.

AN IMAGE OF SUNNY SANCHEZ (late 20's, Latino) in her Majestic uniform, graces a LARGE SCREEN over a STAGE AND PODIUM.

Icky, Anthony, his wife, STAR LUSTER (early 20's), ARMOR GEDDON (late 20's, tall, muscle bound) stand in the front row. Behind them are Top Cat and LYNN KANG (early 30s, Asian), DR. MIKE CHO (early 40's, Asian), Peter Dragon, DR. DARIAN DRAGON (mid 20's, African American, Peter's sister) Della One, Merrill Majestic's Executive Assistant, JAKE THE HEAD MECHANIC (mid 40's), LAB RAT (mid 40's) and other faces of Majestic City.

COMMANDER JASON BERRINGER (mid 50's) steps up to the podium. His handsome face is marred by a sideways "V" shaped SCAR running from his left forehead across his eye to his cheekbone down his cheek to his chin. Clearly, he was once in a bad accident.

Berringer addresses the crowd.

BERRINGER

The loss of Sunny Sanchez cannot be put into words. It is an irreplaceable loss to me personally and the entire Majestic family.

PAN ACROSS THE FRONT ROW - SAD EXPRESSIONS.

BERRINGER

To The Majestic Force, Anthony "Daedalus" Luster, Armor Geddon, Icarus Little, and Dr. Ravi Singh...

INT. MAJESTIC MEDICAL - INTENSIVE CARE - AT THE SAME TIME

DR. RAVI SINGH (mid 30's, Indian) floats unconscious, in a medi-suit, completely immersed from head to toe in a futuristic TANK OF LIQUID OXYGEN.

BERRINGER (V.O.)

...who's own life hangs in the balance... our hearts are with you.

INT. HALL OF HEROES

BERRINGER

Sunny Sanchez, may the arms of the angels carry you to God's enduring grace.

ARMOR GEDDON

(under his breath to Anthony)

We gotta go back. We can't leave her there.

ANTHONY/DAEDALUS  
 (under his breath)  
 Me and Icky are way ahead of you.

Commander Berringer sits down and MERRILL MAJESTIC (early 60's) gets up from his seat on the dais and walks to the podium. He has SILVER HAIR and a BLACK GOATEE beard. He is a vigorous and healthy mature man.

MERRILL  
 I founded this special place, MAJESTIC, to protect the Earth from dangers that our governments won't acknowledge until it becomes too late; ecological, biological, militaristic, alien, known, and not yet known. Sunny believed in this mission, as you all do. She knew the risk and reward. Some heroes give their lives for their country. Sunny Sanchez gave her life for her planet. God bless you, Sunny. May your memory stay with us always and serve to remind us of why we have all chosen this great and secret life... at Majestic!  
 FOR SUNNY!

Merrill begins to CLAP. The crowd joins in.

INT. MEXICO - HOLLOWED-OUT VOLCANO - THAT NIGHT

Snow covers the ground -- unnatural and surreal. The faint light from the moon shining through the volcano basin creates a soft, luminous dreamscape -- the snow glows softly at first then stronger as it melts from the heat of something underneath. After a moment, a woman's body is revealed. Her skin is a luminous CRIMSON RED. Her hair is fire RED with WHITE STREAKS. She's on her back and her eyes are closed. It's SUNNY SANCHEZ. But she has transmuted into this red luminous creature. Suddenly, her eyes burst open! The whites of her eyes are now SILVER with diamond-like, CRYSTAL IRISES. She MOANS -- her body shudders as if an energy force is building up inside her. Then suddenly, the ENERGY OF THE SUN shoots out from her strange new eyes like two powerful SOLAR SPOTLIGHTS.

EXT. HOLLOWED-OUT VOLCANO - CONTINUOUS

The TWO BEAMS shoot out from the volcano into the night sky.

EXT. MEXICAN VILLAGE

Villagers stop and look out at the volcano and point in awe.

INT. HOLLOWED-OUT VOLCANO

The eye beams of energy shut off. Sunny sits up in the snow, disoriented. She looks out over a COMPLEX OF BURNED OUT ALIEN-LOOKING BUILDINGS, now just smoldering shells.

SUNNY  
(to self)  
Snow? Where am I?

She feels her aching head -- recoils as she catches sight of her hands, her RED SKIN, and the REFLECTION OF HER FACE in the METALLIC FOREARM PLATE on her mission suit.

SUNNY  
What happened to me?!

She tries to rub off the red. It doesn't come off.

SUNNY  
Come on, remember!

JUMP CUT FLASHBACK OF HER MEMORY FRAGMENTS:

INT. HOLLOWED-OUT VOLCANO - MEMBRAIN'S ALIEN BASE - POWER PLANT ROOM - DAYS EARLIER

SUNNY'S POV - She struggles to hold a fallen ENERGY SILO to keep it from crashing on top of MEMBRAIN (10, malicious half-alien boy, 3 feet tall). Membrain deliberately stands beneath her in harm's way.

MEMBRAIN  
YOU SAVED ME! ...because your orders are to take me back ALIVE!

SUNNY  
Move... out of the way... I can't hold it!

MEMBRAIN  
Do you know what's in that silo?  
Solar power! Helio! Liquid energy!  
With my own secret ingredient...  
RADION!

Membrain places his HALF ALIEN FACE at point blank range to Sunny's FACE.

MEMBRAIN  
Unlucky girl.

He KICKS her in the shin and runs away. She falls to the ground under the weight of the silo. It cracks in two, drenching her in the RED SOLAR GEL. She screams as the rush of gel washes her down the floor into a BROKEN VACUUM TUBE. Sunny struggles to keep from being SUCKED down the tube.

Armor Geddon grabs her arm and tries to save her. He is surrounded by his 15 foot CyForce Generator Suit, THE CYGEN, an energy force field SHAPED LIKE HIS BODY only 3 times the size. Armor seems to float upright inside the CyGen suit. As he moves so does the energy field. He grabs Sunny, but her wet arm slowly slips from his Cygen hand.

ARMOR GEDDON  
HOLD ON! SUNNY, HOLD ON! DON'T LET  
GO!

SUNNY  
I... can't...

Armor's CyGen Suit begins to FLICKER ON AND OFF. The CyGen's energy field connecting with the Radion solar gel mixture creates SPARKS of electricity which IGNITES the gel on the ground which acts like a liquid FUSE. The flame streaks across the ground to the gel on Sunny's body - IT CATCHES FIRE. She SCREAMS.

ARMOR GEDDON  
NOOOOO!!!

Armor's CyGen Suit SHUTS OFF and he CRASHES to the ground as Sunny, in FLAMES, is SUCKED DOWN THE VACUUM TUBE.

ARMOR GEDDON  
SUUUUNNNNNNNYYYYY!!!

CAMERA FOLLOWS SUNNY'S POV - JOURNEY THROUGH THE TUBE.

EXT. MEMBRAIN'S BASE - MOMENTS LATER

Sunny SHOTS OUT of the tube -- flies 100 feet through the night air in a ball of FLAMES -- lands and sinks underneath the snow. She FADES into unconsciousness.

SUNNY'S POV FLASHBACK ENDS.

SUNNY  
MEMBRAIN! RADION!  
(looking at her skin)  
No burns! But... I'm RED! Oh, God!

Sunny checks her wrist for her Majestic WRISTCOM communicator. She fidgets with it.

SUNNY  
(into the WristCom)  
This is Operative Sunny Sanchez!  
Come in Majestic! MAJESTIC!  
(to self)  
They think I'm dead!

She looks at her reflection again. A silver tear rolls down her cheek. Sunny is alone...

and suddenly, in trouble as FIFTEEN SOLDIERS IN BLACK UNIFORMS riding sophisticated, JET JAMMERS (a flying jet skis) streak into the volcano through the basin high above and land in the snow. They are dressed in futuristic-looking SPECIAL FORCES GEAR. FACE MASKS with COMMUNICATORS. HIGH-TECH GOGGLES. BLASTER RIFLES.

CU: BLUE KEY CULT INSIGNIA on their uniforms.

JAMMER LEADER  
(to other Jammers)  
FAN OUT!

The Jammer Leader speaks into his HEADSET.

JAMMER LEADER  
Jammer Leader to Divine. Come in.

DIVINE (V.O.)  
Are you there yet?!

JAMMER LEADER  
Yes, sir! And you were right! The lava in the basin was a projection to hide a secret base of some kind! There's snow falling inside the volcano.

JAMMER #2  
(looking up)  
Frozen water condensation probably from the generator needed to maintain that projection, mixed with the rising hot air...

INSERT: THE LAVA PROJECTION ABOVE IN THE MOUTH OF THE VOLCANO.

JAMMER #2  
...Cryo-virtuality! Sophisticated.

DIVINE (V.O.)  
FIND MEMBRAIN!

INT. DONALD DIVINE'S SECRET BASE - AT THE SAME TIME

DONALD DIVINE (mid 60's) stands in a DIMLY LIT, ULTRA-FUTURISTIC ROOM. We see him from behind and in profile, barely visible except for a weird FLEXIBLE METAL JAW attached to the flesh of his face.

JAMMER LEADER (V.O.)  
The base is bombed out. Somebody got here before us.

DIVINE  
 (to self)  
 Majestic...

JAMMER LEADER (V.O.)  
 If Membrain's here we'll find him,  
 sir!

DIVINE  
 You won't find him.

CAMERA HOLDS as Divine walks away in deep thought down polished floor.

INT. HOLLOWED-OUT VOLCANO

Sunny watches the Jammers.

JAMMER LEADER  
 (to other Jammers)  
 SEARCH THE BASE! I WANNA KNOW WHAT  
 WAS GENERATING THOSE SPOTLIGHTS!

She quickly darts behind a burned out building -- pulls a PLASMA PISTOL from her utility belt -- CLICKS the trigger -- again -- nothing. She tosses it away in frustration.

Suddenly, there is a BLASTER BARREL at her head.

JAMMER #3  
 DON'T MOVE!

Sunny puts her HANDS UP.

JAMMER #3  
 Turn around!

Sunny turns around to face Jammer #3. He recoils in shock at her RED SKIN.

JAMMER #3  
 WHAT ARE YOU?!

SUNNY  
 The Red Witch.

JAMMER #3  
 (into his WristCom)  
 JAMMER 3 TO JAMMER LEADER, I FOUND  
 A...

Sunny surprises Jammer #3 with a MARTIAL ARTS MOVE that STRIPS him of his weapon, cracks him on the CHIN, and completely knocks him out. She "cool-cocks" his rifle.

JAMMER LEADER  
 JAMMER 3! JAMMER 3!

Jammer Leader MOTIONS IN HAND SIGNALS to the other Jammers to silently approach Jammer 3's last known position. Two Jammers move quickly and quietly with guns ready. They approach his last position. Jammer #3's WristCom is laying in the snow blinking. They rush over and pick it up. Just as quietly Sunny appears behind them. She makes short work of them.

Suddenly, a FLOOD LIGHT hits Sunny.

JAMMER LEADER  
THERE!!!

JAMMER #2  
WHAT THE HELL IS THAT?!

Soldiers begin SHOOTING. Sunny FIRES BACK hitting one of them. She runs up the LONG STAIRS of an tall, half burned out structure. Jammer Leader motions for the Jammers to run around the other side of the structure and cut her off.

Sunny runs up the side of the structure toward the huge door. Jammers from the other side grab her. She fights them off with masterful martial arts moves. A powerful blow with a rifle butt to the head suddenly knocks her off the stairs into the air. She PLUNGES toward the ground, bracing herself against certain injury -- but as she is about to hit the ground her body stops in mid-air leaving her inches from impact.

The Jammers stare back in shock as Sunny FLOATS.

JAMMER #2  
WHOA!

SUNNY  
What's happening?

JAMMER LEADER  
BLAST HER!!!

The Jammers open fire on Sunny as she hovers in mid-air. Hundreds of bullets riddle her body.

SUNNY  
NOOOOOOO!!!

Her new SOLAR EYE BEAMS burst on. Still unable to control or understand this strange new power, Sunny jerks her head from side to side as she convulses in mid-air. The searing beams strafe the ground and instantly incinerate some of the Jammers. As suddenly as the beams burst on they turn off.

SUNNY  
OH, GOD!

The Jammers run for cover. Sunny looks for BLOOD on her hands and body from the bullets. NO BLOOD.

SUNNY  
 (to self)  
 But I was hit! What am I?! If I can  
float...

Sunny explodes into FLIGHT but then awkwardly twirls out of control and slams to the snow-covered ground. The Jammers are awestruck by Sunny's powers. They SHOOT AT HER. She gets up. The Jammers fire at her. She runs and jumps onto the burned out shell of a building then JUMPS INTO THE AIR. Her body BECOMES LIGHT AND GASEOUS as BULLETS ZIP RIGHT THROUGH HER. She reacts with surprise that the bullets have no effect then streaks high into the air.

JAMMER LEADER  
 What the Hell?!

JAMMER #4  
 DEMONIO! DEMONIO! BRUJA!  
 [SUBTITLE: DEMON! DEMON! WITCH!]

Sunny dives down toward the Jammers like a bird of prey. They are blown off their feet as she zooms through their ranks. They shoot at her. She does a looping maneuver -- streaks into the air and flies out of the volcano into the night sky leaving the Jammers stunned and confused.

INT. MAJESTIC CITY - ALIEN CONTAINMENT - MEMBRAIN'S QUARTERS -  
 THE NEXT DAY

Dr. Darian Dragon enters. Following her over her shoulder is a twelve inch high cyborg, BABY BIO-BOT, named COSMO. The creature is a cyborg with organic organs and brain.

Dr. Mike Cho and Majestic operative, Lab Rat, are monitoring a stark white ROOM through a GLASS OBSERVATION WINDOW.

DR. CHO  
 Darian! Hey, Cosmo!

Cosmo hovers over a CONTROL PANEL and parks.

DARIAN  
 Hi, Mike. Has he responded yet?

LAB RAT  
 If you consider "bite me" a  
 response.

DARIAN  
 May I try.

DR. CHO  
 Lotsa luck.

She puts on a HEADSET.

DARIAN  
 (speaking into headset)  
 Hello, Membrain. I would like to  
 speak with you. My name is Darian  
 Dragon. I'm a psychologist and a  
 doctor.

No response.

DARIAN  
 I know it's been hard on you and  
 you don't want to be here. Won't  
 you talk to me, please? Please, for  
 me?

A small translucent figure of a 3 foot high child, crouched  
 down, slowly RISES from the corner of the containment room.  
 Membrain approaches the glass. The translucent contours of  
 his skin FLUTTER and he becomes VISIBLE.

DR. CHO  
 Well, waddyaknow.

Membrain is odd looking. Large eyes. Half-human, half-alien.  
 His milky skin is filled with color reactive chromatophores.  
 They seem to nervously flutter, prepared at an instant to  
 blend in with the background as an escape. His BRAIN is  
 slightly visible through his bald, oversized, opaque skull.

DARIAN  
 Hello, Membrain.

He just stares at her.

DARIAN  
 I read The Majestic Force mission  
 diary. Would you like to hear?

MEMBRAIN  
 I was there! I already know what  
 happened.

DARIAN  
 They captured you inside a dormant  
 volcano. How'd you get inside?

Membrain camouflages like an octopus and VANISHES against the  
 background of the room. He startles Darian and Dr. Cho, as he  
 REAPPEARS inches from the glass enclosure.

MEMBRAIN  
 I can go anywhere I want!

Darian and Dr. Cho look at each other in awe of his dangerous  
 ability and more dangerous intellect.

DARIAN  
 You had an alien device.

MEMBRAIN  
My Pyramid Maker!

DARIAN  
Yours? You told Daedalus you stole  
it from the top secret storage room  
at the military base.

MEMBRAIN  
So what?! Warhead didn't know what  
it was! It was me who figured out  
how to make it work!

DARIAN  
Colonel Jack Warhead?

MEMBRAIN  
Colonel Jack-off Warhead!

DARIAN  
You escaped from the military  
base...

MEMBRAIN  
(interrupting)  
I built my own base!

DARIAN  
How?

MEMBRAIN  
Used the Pyramid Maker to shrink  
the dirt inside the volcano until  
it was hollow. Then used it to  
enlarge the model of the base!

DARIAN  
You're quiet the genius.

MEMBRAIN  
Damn straight!

Membrain squeezes his index finger with his thumb until a  
DROP OF BLUE LIQUID comes out of his finger tip.

LAB RAT  
Radion!

He puts his finger in his mouth to suck off the drop.

DARIAN  
Membrain, we're all very sad about  
Sunny Sanchez. You caused her death  
and Radion Syndrome caused the  
death of millions of people. How do  
you feel about that?

MEMBRAIN  
How should I feel?

DARIAN  
Don't you care?

MEMBRAIN  
Nobody ever cared about me.

Membrain's skin FLUTTERS and he camouflages. Only his half-alien, GRAY BLUE eyes give him away. Darian looks at Membrain through the observation window. Now it is she who doesn't know how to feel.

INT. MAJESTIC CITY - MAIN ATRIUM - AT THE SAME TIME

Berringer walks across a vast, brushed metal floor with a magnificent blue **M** emblazoned in the middle of the floor. He walks directly over it and enters a PORTAL surrounded by an energy field. Instantly he disappears into thin air, reappearing on the other side of the high-tech,

INT. COMMAND & CONTROL ROOM

He stands before a GLASS OBSERVATION WALL that looks out onto Majestic City's inner multi-level complex.

PAN ACROSS - Briefing Rooms, War Rooms, Weapons Rooms, Research Labs, Computer Mega-Suites, Medical Facilities, Dining Areas, Training, Spa, and Workout Levels, Lounges, A Shopping Mall, Living Suites, Classrooms of Children Studying.

Majestic City is a world unto itself.

PETER DRAGON (late 20's, African American) Berringer's Chief of Staff watches a TV MONITOR.

PETER  
Commander Berringer

Berringer walks over to watch.

PETER  
They're announcing this year's Nobel Prize winner.

ON MONITOR SCREEN:

NOBEL DIRECTOR  
This year's Nobel Prize in Medicine and Science is about no less than the survival of the human race.

NOBEL DIRECTOR (CONT'D)  
 The committee has decided to award  
 this year's Nobel Prize in both  
 fields to Dr. Teiko Techayama of  
 High Techayama Labs for the  
 discovery of the cure to Radion  
 Syndrome.

Members of the press gather outside HIGH TECHAYAMA LABS as  
 DR. TEIKO TECHAYAMA (late 40's, Asian) exits. They pummel her  
 with questions.

PRESS  
 Dr. Techayama! How do you feel  
 having won the Nobel Prize?!

TECHAYAMA  
 All that matters is that a great  
 scourge has been lifted from  
 humanity.

BERRINGER  
 Stop.

The images on the monitor screen freeze.

AUTOMATED VOICE (V.O.)  
 Directive.

BERRINGER  
 Radion Syndrome file. Christopher's  
 clip.

ON SCREEN - TREMBLING HANDHELD CELL PHONE FOOTAGE OF A MOB  
 LOOTING A MARKET. The people have BLUE LIPS, PALE SKIN, and  
 BLOODSHOT EYES. Their faces are distorted and zombie-like.

CELL PHONE CAMERA OPERATOR (O.S.)  
 Things are out of control here in  
 the city. Everyone has Radion  
 Syndrome. They're killing each  
 other. Most of the police force is  
 infected too. There is no one to  
 turn to!

PETER  
 (watching)  
 It could have been the end if it  
 weren't for The Majestic Force.

The cell phone operator turns the camera on himself. We see a  
 16 year old boy.

ON MONITOR SCREEN

CELL PHONE CAMERA OPERATOR  
 This is Christopher Berringer! Pray  
 for us!

FOOTAGE ENDS.

BERRINGER  
My nephew. There's no award for  
dying young.

PETER  
I'm sorry, Commander.

Sad beats pass...

BERRINGER  
Are you feeling any effects of the  
test yet?

PETER  
It's been tough but I'm OK.

BERRINGER  
No one will think less of you,  
Peter, if you decide...

PETER  
I'd like to see it through, sir.

Berringer NODS affirmatively but with concern.

PETER  
I have my report on Dubai.

BERRINGER  
Let's hear it.

PETER  
The Future of War Show and United  
Nations Peace Conference are being  
held together for the first time in  
Dubai, in hopes of encouraging  
nations to seek nonviolent conflict  
resolution.

BERRINGER  
And?

PETER  
Arms purchases are up 46 percent.

BERRINGER  
So much for nonviolence.

PETER  
But there's something strange... a  
private purchase. 30 Photon  
missiles, one Crab Leg Predator  
Tank, one Synth Tangler Airfox, a  
DemiGod Manta Jet, and three  
DemiGod cockpits, just the  
cockpits!

Peter hands Berringer a TOUCHPAD with the list on the screen.

PETER  
Whoever the buyer is, the defense  
contractors came up with a nickname  
for him.

BERRINGER  
What's that?

PETER  
THE GOOD CUSTOMER.

A staff member enters.

STAFF MEMBER  
Excuse me, Commander, The Founder,  
on your PRIVATE COM.

Berringer walks into his,

INT. PRIVATE COM ROOM

He sits at his desk and LOGS ON TO A MONITOR SCREEN.

BERRINGER  
This is Commander Jason Berringer,  
Majestic Command and Control.

Della One, Merrill Majestic's Executive Assistant, appears on  
the SCREEN.

DELLA ONE  
Hello Commander.

BERRINGER  
Della One.

DELLA ONE  
I have Merrill Majestic.

Merrill Majestic appears on the screen.

MERRILL  
Jason.

BERRINGER  
Merrill.

MERRILL  
You're aware of this private  
purchase at the War Show?

BERRINGER  
I just got Peter's report.

MERRILL

I'd like to see you Peripheral right away.

BERRINGER

Of course.

MERRILL

I assume you're wrapping up the Radion Syndrome matter.

BERRINGER

Yes, sir. There are still some isolated breakouts, but I'm happy to report Radion Syndrome is under control. We prepared the anti-toxin from Membrain's blood and delivered it to Dr. Teiko Techayama.

MERRILL

She must still be wondering where it came from...

BERRINGER

...as she accepts the Nobel.

MERRILL

Good!

BERRINGER

It'd be nice if sometimes we could get credit for the great good we do.

MERRILL

In a world of greed and envy, good works only invite hatred and suspicion. Be thankful we "don't exist". Let Techayama take the credit. She has some interesting ideas about Radion and its power to enhance, not just harm.

BERRINGER

Yes. Peter Dragon volunteered for our Radion trial experiments. It's all in my report.

MERRILL

Do you believe Membrain's story about Jack Warhead sabotaging your plane.

BERRINGER

I don't know. Jack was my friend. But my "death" has been to his advantage. He got my base command. But sabotage? He knew Carol was on the plane with me.

BERRINGER (CONT'D)  
It be hard to believe he had  
anything to do with the crash.

MERRILL  
Do you want Majestic to look into  
it? You need not be involved.

BERRINGER  
No, sir. Thank you. Not yet. I'd  
like to keep our attention on  
developing The Majestic Force.  
Despite Sunny's death, they  
performed well in a critical  
scenario during the Membrain  
mission.

MERRILL  
What about Icarus Little, "Icky"?  
Are you sure it was wise to recruit  
a boy into a para-military unit?  
Has he experienced any trauma since  
the mission?

BERRINGER  
Not that we can tell. We couldn't  
have done it without him, Merrill.  
The Daedalus Skin was his  
innovation. It gave Anthony back  
his movement after the paralysis.  
We improved and enhanced it of  
course, but I don't think anyone  
could have used the controller  
under combat conditions with as  
much skill as Icky.

MERRILL  
There seems to be a strong  
emotional bond between he and  
Anthony.... "Little Daedalus".

BERRINGER  
Anthony credits Icky with helping  
him through his depression after  
the accident. Icky sees Anthony as  
a father figure after his mother's  
death. The boy's a real talent,  
Merrill. If his gravity proofs were  
made known to the outside world  
he'd be famous right now. A Newton,  
an Einstein...

INT. MAJESTIC CITY - MEDICAL COMPLEX - INTENSIVE CARE - DR.  
RAVI SINGH'S ROOM - AT THE SAME TIME

Icky has fallen asleep in a chair. His head is slumped to one  
side with a long DROOL OF SALIVA hanging from his mouth. His  
pet bulldog, SUMO, is sleeping on his back in Icky's arms, in  
a less than flattering position.

Icky's saliva drool becomes longer and longer as it makes its slow trek toward Sumo's OPEN MOUTH. The saliva dribbles into his mouth and Sumo, still asleep, LAPS IT UP with his tongue in yummy doggy bliss.

A few feet from Icky, Dr. Singh is floating completely immersed in a FUTURISTIC TANK OF LIQUID OXYGEN. He is covered from neck to groin with a special MEDI-SUIT that allows his badly SWOLLEN and DISCOLORED arms and legs to be exposed to the healing liquid oxygen. He is wearing a BREATHING APPARATUS. I.V. TUBES run from the tank into the LIFE SUPPORT MECHANISMS behind it.

Anthony and Star enter the room and shut the door. Icky and Sumo wake up.

Though paralyzed, Anthony presses the sensors on the fingers of the glove self-controller on his right hand to walk, move both hands and arms, and make routine movements.

Sumo runs over to greet him. Anthony pets him.

ANTHONY/DAEDALUS

SUMO!

(to Icky)

How's Doc doing?

ICKY

I don't know. He's sleep-floating in there. I wish they'd just take him out...

Suddenly, Dr. Singh begins JERKING as though reacting to a nightmare.

ICKY

DOC!

DR. SINGH'S NIGHTMARE - FLASHBACK:

Dr. Singh is in the TUNNEL in Membrain's volcano base, fighting a NINE FOOT HIGH, RADION-TRANSMUTED COBRA. He is attacked and bitten.

NIGHTMARE FLASHBACK ENDS. BACK TO PRESENT DAY.

ANTHONY/DAEDALUS

DR. SINGH! WAKE UP!

Sumo BARKS! Dr. Singh spasms in the liquid oxygen. A LIGHT FLASHES and an ALARM TONE DRONES.

ICKY

SOMETHING'S WRONG!

The door bursts open. Dr. Cho, Lab Rat, and Darian Dragon rush into the room followed by Cosmo the baby bio-bot, hovering in the air.

Darian, Lab Rat, and Cosmo quickly adjust the knobs and meters on the tank and the high tech medi-wall behind it. Dr. Cho puts on a HEADSET.

DR. CHO  
DR. SINGH! RAVI! CAN YOU HEAR ME?!

STAR  
What's wrong?!

DR. CHO  
HE'S IN P.F.C. TRAUMA!

ICKY  
IS HE DYING?!

DR. CHO  
When a person is submerged for long periods in a liquid PerFluoroChemical atmosphere, this can happen.

DARIAN  
(checking meters)  
The pressure ratios are at SAT.

LAB RAT  
Fluorine, bromine mix, filtered and normal.

DR. CHO  
Is he in "Greenhouse"?

LAB RAT  
We're only pushing three atmospheres! Whatever's causing the stress, it's not external.

DR. CHO  
Cosmo, initiate radiopaque!

Cosmo tweaks a control panel. The lights switch off in the room. Dr. Singh's internal anatomy is visible as if under an ultra-violet, X-RAY light. He jerks and twists violently in the liquid. GLAND-LIKE, ALIEN VENOM SACKS CAN BE SEEN PUMPING FLUID THROUGH HIS BODY.

ICKY  
WHAT ARE THOSE?!

DR. CHO  
Radion venom sacks. They formed shortly after he was bitten. Lab Rat, cut the I.V. flow!

DARIAN  
But, Mike...

DR. CHO  
 The venom sacks might be reacting  
 to the medication and trying to  
 protect him from it! They are  
 already pumping him with  
 antibiotics.

DARIAN  
 Radion's not an antibiotic!

DR. CHO  
 We don't know that! We might be  
 overdosing him and not realizing  
 it!

Lab Rat frantically turns off all I.V. flows of medication  
 into Dr. Singh's body.

ICKY  
 DOC, IT'S ICKY! WAKE UP! WAKE UP!

DR. SINGH'S NIGHTMARE CONTINUES:

Distorted images of Membrain's face appears in Dr. Singh's  
 mind.

MEMBRAIN  
 (Membrain's weird alien  
 voice)  
 IT'S ME! REMEMBER?!

Icky's VOICE comes from Membrain's mouth.

MEMBRAIN  
 (Icky's voice)  
 WAKE UP! DOC, WAKE UP! IT'S ME,  
 ICKY!

Dr. Singh WAKES UP with a violent jerk and a gasp.

DR. CHO  
 DR. SINGH! CAN YOU HEAR ME?!

Dr. Singh SPEAKS through a special high-tech HEADSET. His  
 voice sounds muddled.

DR. SINGH  
 I... can hear you...  
 (disoriented)  
 ...Membrain... the snake... I'm  
 under attack!

ANTHONY/DAEDALUS  
 YOU'RE SAFE, DOC! YOU'RE BACK AT  
 MAJESTIC!

Dr. Singh stares back at them through the liquid.

DR. CHO  
How are you feeling, Ravi?

DR. SINGH  
Like crap. Fish crap! How long have I been under?

DR. CHO  
A week since the Membrain mission.

DR. SINGH  
What happened to me?

DR. CHO  
You were infected with Radion Syndrome.

LAB RAT  
Bitten by one of Membrain's animal transmutes. A venomous snake.

DR. SINGH  
Big snake. So give me the bad news.

DR. CHO  
It may not be all that bad. Snake venom has always been of interest to scientists for its healing qualities.

DR. SINGH  
Anti-microbial peptides.

DR. CHO  
Yes. The Radion that transmuted the snake seems to have synthesized its venom into "intelli-cells".

ICKY  
"intelli-cells"?

DR. CHO  
Living, thinking organisms. It's revolutionary!

Darian's expression is more grave.

DR. CHO  
They behave like metabolic army ants. Once in your bloodstream they constructed venom sacks between your muscle tissue. When you flex normally venom is pumped throughout your entire lymph and vascular system.

DR. SINGH  
Are you're saying my blood is  
alive?

DR. CHO  
In a sense... Yes.

ANTHONY/DAEDALUS  
Why don't you just operate and take  
the sacks out?

DR. CHO  
That would be a mistake. It took us  
some time to figure it out, but the  
intelli-cells are actually trying  
to keep him alive! Killing off all  
the bad bacteria in his body. Dr.  
Singh is their host!

DR. SINGH  
How polite of them.

DR. CHO  
It's counter-intuitive to  
everything we know about medicine  
even here at Majestic!

DR. SINGH  
If I die, they die. Is that it?

DR. CHO  
And they don't want to die.  
Your affliction has become your  
medication. Radion is truly  
remarkable!

DARIAN  
It's dangerous! My brother stupidly  
volunteered for the testing  
program.

STAR  
Volunteered?!

DR. CHO  
Under controlled conditions and  
combined with other elements Radion  
could prove to be a game-changer in  
every facet of human life. Peter is  
very brave!

Darian gives a disapproving look.

LAB RAT  
(to Dr. Singh)  
You need anything, Doc?

DR. SINGH  
Yeah, a steak, medium rare.

ANTHONY/DAEDALUS  
What's gonna happen to him?

DR. CHO  
How Dr. Singh will be affected by the change in his pathology? Only time will tell. Let's let him rest.

Dr. Cho nods to Lab Rat who stays to monitor Dr. Singh. They exit.

DR. SINGH  
(calling out)  
AND DON'T FORGET THE FRIES!

Dr. Singh has an expression of helplessness as he floats in the liquid oxygen tank. Lab Rat looks on concerned.

INT. OUTSIDE DR. SINGH'S ROOM

Dr. Cho and Darian walk away. Anthony/Daedalus, Star, and Icky walk together.

ICKY  
We should have told him about Sunny.

ANTHONY  
No. He needs to concentrate on healing... and we have some unfinished business.

STAR  
What unfinished business?

Anthony doesn't answer. They walk away down the corridor.

INT. MAJESTIC CITY - ARMORY - LATER

Armor Geddon is wearing a tank top. His arms are covered from wrist to shoulder in TATTOO SLEEVES. He is six foot four, cut like a statue, and powerfully built.

Jake, Majestic Head Mechanic, works on the thick, high-tech, Roman gladiator inspired WRISTBANDS that control Armor's unique weapon system, the 15 foot high", CyForce Generator Suit, THE CYGEN".

JAKE  
OK, I fixed 'em. Try now.

Armor Geddon CLASHES TOGETHER HIS CYGEN WRISTBANDS and the CyGen Energy Suit powers own around him. He is immediately lifted off the ground to the center of the CyGen.

He moves and the glowing CyGen suit moves in sync with him. He seems to FLOAT inside the CyForce energy field. He moves his arm and makes a FIST. The CyGen's huge force field forms a fist. He PUNCHES UPWARD with a burst of raw power as the CyGen Suit's virtual PLASMA WRIST CANNONS spin like a virtual gatling gun.

He walks over to a HEAVY METAL TRAINING AREA -- slams his CyGen fists into a METAL PUNCH PLATE denting it. He punches and kicks the 10 foot high METAL FIGHT DUMMY and slams his fist down on its HEAD. It buckles under the devastating power of the CyForce generated by the CyGen Suit.

ARMOR GEDDON  
BADA-BOOM!!! Can't wait to use  
these plasma wrist cannons again!

JAKE  
I got a new trick for your Cyforce  
Generator Suit?!

Armor slams the force field energy fist on the ground making everything rumble.

ARMOR GEDDON  
THE CYGEN! What cha got?!

JAKE  
CHROMAFLAGE!

ARMOR GEDDON  
Is that like camouflage?

JAKE  
Only using CyForce instead of  
cloth! Membrain may be a creepy  
little shit but you've got to admit  
his camo is pretty damn cool. Your  
Cygen Suit can now change color and  
pattern with the background just  
like him... to keep you hidden!

ARMOR GEDDON  
Why would I wanna hide?!

Armor crunches his fist and The CyGen's fist crunches.

ARMOR GEDDON  
The bad guys hide from Armor  
Geddon!

Anthony and Icky enter.

ANTHONY/DAEDALUS  
 (sarcastic)  
 You might try a stealth approach  
 sometime!

ARMOR GEDDON  
 STEALTH?!

Armor bangs his Cygen fist on the ground then slams the Metal Fight Dummy. It dents and bends.

ARMOR GEDDON  
 WHAT'S THAT?!

A big screen descends behind Armor. DIFFERENT BACKGROUNDS appear on the screen. A FOREST, A DESERT, A SNOW SETTING.

JAKE  
 You use this new panel to control  
 the chromaflage.

Jake puts a special high-tech ADD-ON to Armor Geddon's wristbands. He touches a sequence on the panel and Armor's CyGen Suit adapts the colors and patterns in an amazing display of the new chromaflage. Armor and The Cygen almost completely blend in with the background.

ICKY  
 Hey, that's pretty cool! Surprise  
 attack, huh?!

JAKE  
 It'll take some getting used to the  
 controls and some practice to  
 perfect the patterns.

A crowd of Mechs and Techs gathers to watch as Armor tries to use his new chromaflage. He pushes buttons. Instead of effective combat camouflage, a PINK GIRLY PATTERN appears on the CyGen Suit.

ARMOR GEDDON  
 HEY! WHAT'S WITH THIS?!

ANTHONY/DAEDALUS  
 Pretty!

Everyone laughs

ARMOR GEDDON  
 HOLD ON, WAIT!  
 (to self)  
 You push this... or is it this?

Armor tries again. The CyGen changes to the SPOTTED PATTERN of a COW with BLACK AND WHITE SPOTS.

ARMOR GEDDON  
 (frustrated)  
 HEY!

ICKY  
 Maybe we should call you FARMER  
 GEDDON!

Everyone has a good laugh at his expense.

JAKE  
 Maybe I'll put in a VOICE command!

Armor Geddon scowls.

INT. DONALD DIVINE'S SECRET BASE - BRIEFING ROOM - THAT  
 EVENING

The Briefing Room is dimly lit and futuristic.

REV. GOODFRIEND (early 60's) enters. The man's face is  
 strangely pious yet disturbing, old lines with young skin. He  
 is wearing a CLERIC UNIFORM, the traditional BLACK JACKET,  
 BLACK SHIRT with a BLUE collar tab instead of a white one --  
BLUE KEY CULT INSIGNIA on the arm.

Donald Divine, standing on a HOVER PLATFORM, moves slowly  
 from the shadows to a position in front of Goodfriend. We now  
 fully see his bizarre facial prosthesis. The lower half of  
 Divine's face below his nose is covered with a strange, high-  
 tech, flexi-metal JAW WITH LIPS. His artificial teeth are  
 made of a CLEAR POLYMER MATERIAL. The metal jaw moves with  
 the subtlety of normal flesh when he speaks.

DIVINE  
 Rev. Goodfriend.

REV. GOODFRIEND  
 (bowing slightly)  
 Donald Divine. I come to serve. As  
 your missionary, I have been  
 traveling the world attending to  
 your flock and preparing the path.  
 Your Blue Key cult is growing. Your  
 congregation is passionate. Your  
 message, "Blessed are the Wealthy  
 and Powerful", is finding men and  
 women of The Faith among those who  
 have been scorned for their  
 success. They've followed your  
 rules of ultra-secrecy and have  
 donated heavily. They are demanding  
 to see The Blue Key.

DIVINE  
 And so they shall. I'm planning a  
 secret conclave here at the base.

DIVINE (CONT'D)  
 Soon I'll reward the congregation  
 for their faith... and donations.  
 Their money has kept us in the  
 game.

REV. GOODFRIEND  
 A game I pray we are winning?

DIVINE  
 No, we are not! Majestic beat us to  
 Membrain and was able to develop  
 the Radion Syndrome anti-toxin from  
 his blood before we could profit  
 from the cure! We would have made  
 billions! All my plans ruined  
 because of one idiot!

Divine directs his gaze to a large MONITOR SCREEN of,

EXT. FUTURE OF WAR SHOW - DUBAI - DAY

Video footage appears of a man in military uniform, COLONEL  
 JACK WARHEAD (late-50s). DECORATED WITH MEDALS.

DIVINE  
 Colonel Jack Warhead, Commanding  
 Officer of what is now Berringer  
 Air Force base. As you know, he has  
 served us as our man inside the  
 military. It was Warhead who  
 released Radion into the civilian  
 population that caused Radion  
 Syndrome. We had it all planned!  
 Create an epidemic, make billions  
 on the cure! Then he panicked and  
 staged Membrain's escape so he  
 could blame him for Radion Syndrome  
 when interrogated by his superiors.

REV. GOODFRIEND  
 And without those profits...

DIVINE  
 I was only able to purchase a  
 fraction of the weaponry needed to  
 mount a full attack on Majestic and  
 take the Agena Starship! Warhead  
 thinks Merrill Majestic is a myth,  
 despite my assurances to the  
 contrary. And he thinks he doesn't  
 need us anymore since General Jason  
 Berringer's death in a plane crash  
 that left him in charge.

REV. GOODFRIEND  
 Shall I terminate him?

DIVINE

No, Jack Warhead still owes us one last act of devotion. I have a new plan, and to carry it out we still need him. Your mission: Ruin his life and reputation... and then HE will need US... again.

REV. GOODFRIEND

(slightly bowing)

I come to serve.

A strange, blue, 10 inch long device with ALIEN GLYPHS embossed on it, electronically rises from the arm rest of Divine's hover platform.

REV. GOODFRIEND

(with reverence)

The Blue Key!

Bioluminescent lights randomly shoot through The Blue Key.

Divine places his hand around it. The device reacts to his touch as if it were living tissue. Donald's SKIN FLUTTERS and his body becomes translucent, seeming to disappear within the outline of his contours. The platform turns and hovers away. Goodfriend stands alone, stoic and resolute looking up at,

THE MONITOR SCREEN IMAGE OF COLONEL JACK WARHEAD at The Future of War Show.

MATCH CUT TO:

EXT. THE FUTURE OF WAR SHOW - AT THE SAME TIME

COLONEL JACK WARHEAD at The Future of War Show, the most prestigious military arms technology convention, marketplace, and conference in the world. HIGH TECH WEAPONS. DAZZLING AIR SHOWS.

Warhead stands with THREE MEN and TWO WOMEN, watching an air show. The war planes are sleek and futuristic. They streak through the sky in a show of speed and power as the crowd REACTS with awe.

ANNOUNCER ON LOUD SPEAKER (O.S.)

And now ladies and gentlemen the aircraft you've all been waiting for... THE DEMIGOD!!!

The magnificent prototype Demigod aircraft dominates the sky as it zooms by and thrills the crowd. APPLAUSE.

## WARHEAD

THE DEMIGOD MANTA JET! Look at it!  
 If there's such a thing as  
 reincarnation let me be reborn as  
 one of those things, with a  
 customized interior, piano lounge,  
 bar, jacuzzi, and PHOTON-BLASTERS  
 ON MY WINGS!

The men and women LAUGH then walk away. One man, CIA  
 DIRECTOR, ALLEN DOWER (late 40's) remains.

## ALLEN DOWER

You're a real brick-head, Jack, but  
 people seem to be intrigued with  
 you. There's talk of you running  
 for office.

## WARHEAD

I'm leadership material, Al! People  
 recognize that. If you want PEACE  
 you've got to elect a man who knows  
 how to make WAR!

Two especially "peaceful" looking INTERNATIONAL DIPLOMATS  
 walk by and BOW graciously to a POLITE FORCED NOD from  
 Warhead.

## WARHEAD

Would you have believed it? Holding  
 the War Show and the Peace  
 Conference in the same place. The  
 sweet smell of war and the stench  
 of peace at the same time!

Allen Dower chuckles. The two men walk away, TO REVEAL, Rev.  
 Goodfriend amid the crowd, secretly spying on Warhead.

INT. FUTURE OF WAR SHOW - MILITARY TECHNOLOGY SHOWROOM -  
 LATER

Warhead and Dower walk through the WEAPONS SHOWROOM. The  
 prototype weapons are futuristic and stylish. They stop to  
 watch a demonstration at a booth.

A SEXY SALES WOMAN dressed in a professional, but  
 deliberately tight business skirt, demonstrates an explosive  
 device disguised as a GOLF BALL. She places the ball on the  
 tee in front of A TEST DUMMY dressed in golf attire. She  
 pushes a RED BUTTON on a handheld control panel. The test  
 dummy pulls back his golf club and hits the ball. It EXPLODES  
 emitting a PARTICLE BEAM that rips the dummy to shreds.

The woman flashes a suggestive smile then WINKS at Warhead.

ALLEN DOWER  
 These manufacturers make war look  
 so glamorous.

WARHEAD  
 Sure do!  
 (admiring the woman)  
 I'd like to drop that grenade in my  
 underwear!

The men continue to walk the showroom and talk.

WARHEAD  
 Al... what do you know about  
 Merrill Majestic?

Allen Dower stops suddenly and gives him a surprised LOOK.

ALLEN DOWER  
 Where'd that come from?

WARHEAD  
 You seem disturbed. Does The Agency  
 have a file on him?

ALLEN DOWER  
 All I know is what I've heard. He  
 was the son of a billionaire  
 family. A civilian operative for  
 the military thirty years ago. He  
 supposedly stole some military  
 secret then disappeared. Another  
 rich kid dead of an overdose, who  
 knows.

WARHEAD  
 I've heard he started a beyond top  
 secret agency...

ALLEN DOWER  
 .. that reports to no one, funded  
 by no one, with no known  
 headquarters anywhere on the  
 planet! Yup, come on, Jack, get  
 real!

WARHEAD  
 I've heard Majestic is real.

Allen Dower shows off his CIA RING.

ALLEN DOWER  
 You see this ring? You don't get to  
 be CIA Director by accident. If  
 Majestic was real, I'd know it.

WARHEAD

I heard another strange rumor,  
Al... that when Berringer's plane  
crashed, Majestic rescued him. They  
let the world believe he died with  
his wife, funeral and all, but he's  
still alive, working for Majestic.

ALLEN DOWER

What do you care, Jack. You got his  
base command, hell if his wife  
hadn't died with him you'd have her  
too!

Allen Dower walks away.

WARHEAD

(calling out)

It was me who got the base named in  
his honor! ME!

Rev. Goodfriend secretly peers at him through the crowd.

INT. PENTAGON - BUSY CORRIDOR - A FEW DAYS LATER

A woman, QUINN POWERS (early 30's) in a professional business  
jacket and skirt walks briskly down the corridor. We see her  
from the back.

She walks past uniformed military officers, pages, clerical  
staff, and other Pentagon personnel. Quinn has the walk and  
dangerous curves that turns heads.

She bumps into Allen Dower. The TOUCHPAD she is carrying  
tumbles from her grip. Allen catches it. We now see her face.  
She is very sexy.

ALLEN DOWER

Quinn Powers!

QUINN

Allen Dower!

ALLEN DOWER

Our names rhyme.

QUINN

And that's all we have in common.  
Back from Dubai. Start any wars?

ALLEN DOWER

When are you gonna drop these  
Pentagon stiffs and come work for  
me? I'll show you how to start a  
war!

Allen rudely looks at the information on the touchpad.

QUINN  
 I'm not cut out for Agency work...  
 (snatching the touchpad)  
 ...can't trust anybody!

Quinn struts away to Allen's admiring gaze.

INT. COLONEL JACK WARHEAD'S OFFICE - MOMENT LATER

Quinn opens the door and walks to the desk. Warhead is seriously playing WAR GAMES on his desk with TOY SOLDIERS, TANKS, AND PLANES. She interrupts.

QUINN  
 Colonel, it's press day!

She holds out the red touchpad.

QUINN  
 Here's a list of questions you might get asked. Radion is the hot topic so be prepared to take some heat!

Warhead doesn't look up, he just keeps playing war games with his toys.

WARHEAD  
 Can't you see I'm in the fog of war!

QUINN  
 I suggest you take a break from the battle and look at it.

Warhead takes the touchpad.

WARHEAD  
 (reading)  
 What's the status of the bio-weapons program? Is it true you're manufacturing synthetic Radion? Has the military figured out what Radion is made of? Where does Radion come from?  
 (to Quinn)  
 Don't these bladder brains have anything else on their minds? They should be thankful the military found a cure!

Quinn rolls her eyes at Warhead taking the credit.

WARHEAD  
 I hate those snot-sucking press parasites! They always tell me I'm not answering the question!

WARHEAD (CONT'D)  
 I can't wait until this is over.  
 I'm hungry as a hostage!

INT. PENTAGON PRESS ROOM - LATER

The room is filled with reporters. Warhead stands at the podium. The press conference is in progress.

REPORTER  
 You're still not answering the  
 question Colonel!

WARHEAD  
Next question.

HARRY TANA  
 Harry Tana from The Post.

Allen Dower ENTERS and watches from the sidelines.

HARRY TANA  
 Colonel Warhead, you made a  
 controversial statement at the  
 height of the Radion Syndrome  
 epidemic.

WARHEAD  
 Controversial? Me?

The press core laughs.

HARRY TANA  
 (reading from his notes)  
 "Radion would make a Hellava  
 biological weapon."

WARHEAD  
 I said that?

HARRY TANA  
 (reading from his notes)  
 "America developed the Radion anti-  
 toxin, why give it away to the rest  
 of the world? Make those foreign  
 bastards pay for it! If they don't,  
 let them die in agony!"

WARHEAD  
 Tana, you're pant load! Where's  
 your patriotism?!

HARRY TANA  
 Don't you think it's irresponsible  
 to try and turn Radion into a  
 weapon in the aftermath of the  
 pandemic that almost wiped out  
 every man, woman, and...

WARHEAD

(shouting)

WHY DON'T YOU ASK A REAL QUESTION?!  
I PREPARE THIS NATION FOR WAR TO  
PROTECT THE RIGHTS OF MUMMIFIED  
MIDGET NUTS LIKE YOU, WHO HIDE  
BEHIND THE SHORT HAIRS OF THEIR  
NEWS ORGANIZATIONS AND PISS INK  
BOMBS AT LOYAL HEROES LIKE ME!

HARRY TANA

Just one last question, Jack... is  
this something General Berringer  
would have approved of?!

WARHEAD

We all regret Jason Berringer's  
death. He was my friend.

HARRY TANA

You're not answering the quest...

QUINN

That will be all for today! Thank  
you!

Warhead walks off the platform. The reporters clamor for  
more.

REPORTERS

Colonel! Colonel! One more  
question...!

Rev. Goodfriend awaits Warhead in the wings.

REV. GOODFRIEND

Excuse me, Colonel Warhead. I am  
Rev. Goodfriend. May I have a word  
with you?

WARHEAD

Look, reverend, I don't know you,  
but I respect men of the cloth. Now  
get lost!

Warhead starts to walk away. Goodfriend GRABS HIS FOREARM.  
His GRIP is VICE-LIKE. Warhead is unable to pull away. He is  
surprised by the weird strength of the man whose facial  
expression remains calm and ministerial with a pious smile.

REV. GOODFRIEND

YOU need to become a man of The  
Faith.

WARHEAD

Excuse us would you, Ms. Powers?

QUINN

Yes sir.

Quinn walks away -- looking back curious.

WARHEAD

(under his breath)  
Divine sent you?!

Goodfriend nods "yes". Rev. Goodfriend releases his arm.

WARHEAD

Now listen GOOD-FRIEND! You tell  
"The Donald" I'm not his puppet  
anymore! I'm in charge now! I'm  
running the show! Is that clear?  
Now I don't wanna see your face  
again!

REV. GOODFRIEND

You will not see me again until you  
need me... in your darkest hour.

WARHEAD

Are you threatening me?!

REV. GOODFRIEND

(shaking his head "no")  
I am Reverend Goodfriend.

WARHEAD

My ass!

Warhead walks away. Goodfriend's expression remains oddly  
pastoral and unphazed.

EXT. LUNAR SPACE ABOVE THE MOON - THE NEXT DAY

A futuristic shuttle-craft with the word STARSTREAM on the  
side flies through space.

INT. STARSTREAM AIRCRAFT

Berringer sits in a plush, fully equipped EXECUTIVE OFFICE  
inside StarStream. He is accompanied by Peter Dragon.  
Berringer seems lost in a distant memory.

MATCH CUT TO:

FLASHBACK SEVEN YEARS EARLIER:

Berringer in an AIRFORCE GENERAL'S UNIFORM inside a AIRFORCE  
PRIVATE OFFICER'S AIRPLANE next to his wife, CAROL.

Suddenly, the plane is in trouble and shaking as it plummets  
downward. Carol is terrified and screaming.

CAROL  
Jason, what's happening?!

BERRINGER  
I don't know!

EXT. ABOVE SNOW-CAPPED MOUNTAINS - NIGHT

The plane descends fast. It CRASHES into the mountains.

EXT. SNOW-CAPPED MOUNTAINS

Berringer lays in the snow injured, bloody with a bad SCAR WOUND across his face. He crawls over to Carol, critically injured, amid the wreckage and takes her hand.

BERRINGER  
CAROL!

CAROL  
Jason... help me.

BERRINGER  
Hold on!

She expires.

BERRINGER  
GOD, NO! CAROL! CAROL!

He closes his eyes and weeps over her body.

FEMALE VOICE (O.S.)  
Jason!

He opens his eyes.

BERRINGER  
(hoping)  
CAROL?!

FEMALE VOICE (O.S.)  
General Jason Berringer?

Berringer turns around to see Sunny Sanchez and Peter Dragon standing over him. They are dressed in SECRET OPERATIVE GEAR.

SUNNY  
We're here to help you, General.

BERRINGER  
My wife...

Peter checks Carol's vital signs... then shakes his head "no" to Sunny. Berringer reacts with despair.

SUNNY  
We're going to get you to safety.

BERRINGER  
Who are you?!

SUNNY  
I'm Operative Sunny Sanchez and  
this is Operative Peter Dragon.

GENERAL BERRINGER  
(getting weaker)  
Operative?! Who sent you?!

Sunny leans into him.

SUNNY  
(mysterious whisper)  
Majestic.

FLASHBACK ENDS.

INT. STARSTREAM AIRCRAFT - PRESENT DAY

PETER  
Commander... Commander...

Berringer's is still lost in his memory flashback.

FLASHBACK:

EXT. AIRFORCE BASE - EVENING - BEFORE THE CRASH

Berringer and Carol are boarding the doomed military jet.  
Jack Warhead in a colonel's uniform, shouts out from behind  
them.

WARHEAD  
Have a great trip! And don't worry,  
Jason... the base will be in good  
hands!

Berringer looks back at him from over his shoulder. Warhead  
gives a SMILE and a SALUTE as they board the plane.

FLASHBACK ENDS.

INT. STARSTREAM - PRESENT DAY

BERRINGER  
(to self)  
Warhead... you saboteur!

PETER  
Commander Berringer?! Commander!

BERRINGER  
(snapping out of it)  
Yes?

PETER  
We're arriving at Peripheral.

BERRINGER  
Thank you, Peter.

PETER  
Thank you for what, sir?

BERRINGER  
(grabbing his arm warmly)  
For everything.

Peter nods affirmatively with understanding.

PETER  
You're welcome, sir.

EXT. SPACE ABOVE THE MOON

StarStream approaches a FLAT QUADRILATERAL SHAPED STRUCTURE floating in space above the moon.

SCREEN CARD - PERIPHERAL LUNA ORBITAL - Home and executive office of Merrill Majestic

INT. PERIPHERAL LUNAR ORBITAL

Berringer and Peter exit StarStream. They are greeted warmly by Merrill's ever-present, Executive Assistant, Della One, dressed in jeans and a casual top.

DELLA ONE  
Commander Berringer, welcome back to Peripheral.

BERRINGER  
Della One.

They CHEEK KISS.

BERRINGER  
How are you today?

DELLA ONE  
No rest for the weary!  
(to Peter)  
Hello, Peter.

PETER

Della.

DELLA ONE

How's your sister coming with Membrain?

PETER

He's all she talks about.

DELLA ONE

Wish her my best. The Founder looks forward to her weekly reports.

Della One leads them through a polished, futuristic lobby filled with STONE TABLETS. PICTOGRAPHS. HIEROGLYPHICS. SCULPTURES from every Earth civilization depicting ANCIENT ALIEN ENCOUNTERS.

DELLA ONE

(on the Com)

Sir, Commander Berringer has arrived.

(to Berringer)

With your permission, Commander, Peter can wander around Peripheral until your meeting is over. The Founder's Ancient Astronaut collection is on display this month!

Berringer nods. He and Della One walk away to,

INT. MERRILL MAJESTIC'S EXECUTIVE OFFICE

The office is elegant and dimly lit. FLOOR TO CEILING WINDOWS overlook the moon and the Earth. Stars fill the sky. A large scaled model of a beautiful FLYING SAUCER sits on a sleek stand with the name, AGENA STARSHIP written on the base.

Berringer walks over to the model and admires it.

BERRINGER

Agena...

Berringer looks over to see a MINIATURE FUTURISTIC CITY on a large DISPLAY TABLE under showroom lights. He walks over and admires it. The city has great detail even lights in the windows. The DOMES and SPIRES are awe inspiring.

Merrill walks over and greets him. He is dressed in JEANS, SNEAKERS, and A CASUAL SHIRT.

MERRILL

Welcome back to Peripheral!  
How was the commute?

BERRINGER  
Always relaxing.

BERRINGER  
I look forward to this view!

Berringer looks out of the enormous WINDOWS onto the Earth below.

Berringer walks over to the table with the miniature city build on it.

BERRINGER  
The model city's beautiful. It looks so real!

MERRILL  
In a way it is. Come!

Berringer follows Merrill over to a LARGE TABLE on the other side of the room. An architect is there putting the finishing touches on a twelve inch, exquisitely detailed model of an EGYPTIAN PYRAMID, with carefully sculpted individual little bricks.

ARCHITECT  
(to Berringer)  
We used the same limestone mixture the Egyptians would have used. Historians say it took 300,000 men twenty years to build it. This detailed model took me two days.

The architect wipes the limestone mixture from his hands onto a towel.

ARCHITECT  
It's still a little wet.

Della One hands a strange object to Merrill -- a two foot long, LAMP-LIKE DEVICE with a bulbous organic LIGHT on the tip, curved a like a small street lamp.

BERRINGER  
Membrain's Pyramid Maker!

Merrill points the device at the little pyramid on the table. A PARTICLE BEAM emits from the glowing bulb at the tip. It strikes the model. The pyramid begins to ENLARGE.

MERRILL  
This device confirms that the ancient aliens had control over size. I think Membrain is right. The pyramids were constructed first on a table then carried out to the desert and enlarged to their current size.

Merrill stops the growth at four feet.

MERRILL

It's not just making the bricks bigger, it's expanding the limestone at the sub-atomic level.

The pyramid expands up then shrinks down under the beam as Merrill adjusts the settings on the Pyramid Maker.

MERRILL

This device is probably not powerful enough to grow pyramids, but the principal... they could keep expanding the pyramid until it was hundreds, even thousands of feet from base to tip, or shrink it to the head of a pin.

BERRINGER

An army could be miniaturized and deployed in a shoebox.

DELLA ONE

Or hungry populations fed by enlarging the food supply.

MERRILL

Yes!

Merrill hands the Pyramid Maker to Berringer.

BERRINGER

I cross-checked this thing with a police sketch of the alien female Isabel Vega says abducted her. On top of her head was some kind of appendage that looked just like this. I don't think it's a device at all. It's part of the alien's anatomy.

MERRILL

If they can control their own size can you imagine what we'd be dealing with? To them human beings would be like ants.

Berringer hands the device back to Della One. She places it back into its display stand. She sits down and holds out her hands. With precision, her RIGHT FOREARM ROBOTICALLY OPENS and the sections SLIDE BACK exposing a small COMPARTMENT. A TOUCHPAD automatically emerges, unfolds, and turns to the user position. A MONITOR SCREEN is projected from the touchpad into the air above it. Her forearms CLOSES as she places her hands on the touchpad, ready to type.

BERRINGER

It's easy to forget Della's a synth.

MERRILL

(oddly distant)

Yes... it is.

(resuming)

Now, tell me what you've got on the private arms purchase.

Della types on the touch-pad as they talk.

BERRINGER

It matches two others. Large acquisitions through swiss banks. Who ever's doing this would certainly know it would get attention. Arms dealers nicknamed him, "The Good Customer".

MERRILL

There are some things about Majestic that I've kept from you, Jason, but that you must now know. I think an old enemy has surfaced. The Co-Founder of Majestic.

BERRINGER

CO-Founder? But I assumed you were the only founder.

MERRILL

If what I suspect is true, The Good Customer IS that Co-Founder... Donald Divine.

BERRINGER

Donald Divine?! He's real? I thought it was just a mythical name! In the military that's what we call someone who reports a UFO. I always wondered where the name came from.

MERRILL

He's very real. Thirty years ago, Divine was a Navy Seal. He was assigned an above top secret UFO mission called, DARK DAWN. He was a master of weapons technology, but knew little about aliens and UFOs.

BERRINGER

Enter a young Merrill Majestic.

MERRILL

(nodding "yes")

As an astrobiologist, I was an expert in the study of space and its relationship to the origins of life on Earth. An obscure field, but being heir to one of the world's great fortunes, I had nothing but time and money on my hands. We made an odd but effective team. The Navy had secretly acquired a metal box from CIA operatives working in Cuba. They had stolen it from Fidel Castro's personal residence. Inside the box... was this...

Berringer follows Merrill to a dimly lit podium with a two foot by three foot STONE SLAB.

MERRILL

The Doomsday HoloGlyph.

BERRINGER

A stone slab?

MERRILL

On the surface it looked as it does now, like an unremarkable prehistoric rock... until it's touched.

Merrill touches the slab and HOLOGRAPHIC IMAGES appear.

BERRINGER

A touchscreen!

ON THE STONE TOUCHSCREEN: Ancient people from 5000 BC are visible in a FILMED RECORD of alien contact with humans.

MERRILL

These are the actual images of alien-human contact, from the dawn of civilization, as filmed by some extraterrestrial documentarian.

The images show humans and animals being escorted into enormous starships.

BERRINGER

Noah's Ark?!

MERRILL

Quite possibly the origin of that story.

As Merrill moves two fingers to various spots on the stone, CROSSHAIRS appear under them. Next to the center of the crosshairs are numbers of latitude, longitude, date and time.

BERRINGER

My God, Merrill, this is unbelievable... the Sumerians, the Mayans, Egyptians, Vikings, the Greeks, THE ROMAN EMPIRE?!

MERRILL

(moving his fingers)  
China, Africa... Native Americans.

Great throngs of people walk hypnotically toward the enormous starships and board them.

BERRINGER

Alien abductions on a mass scale!

The images always end with the humans departure from Earth in massive interstellar alien transport ships. The touchscreen ILLUMINATES at timeline points under Merrill's fingers.

MERRILL

These are the locations of the starships.

Under each "illuminated" point is a STARSHIP LOCATION at a date in history.

MERRILL

Now, fast forward...

Merrill SWIPES his fingers across the stone and the touchscreen moves rapidly up and over to a new location.

MERRILL

America, Black Rock Desert, Nevada,  
December 21st, 1985.

FLASHBACK 1985:

EXT. BLACK ROCK DESERT - NEVADA - DAY

A MILITARY JET flies over the Black Rock Mountain range.

MERRILL (V.O.)

The military gave Donald and me the Hologlyph to use as a map. We flew into Black Rock and traversed the flatlands. We discovered a massive hidden cave.

Merrill and Divine walk into an enormous CAVE and stand before the Agena Starship.

INT. CAVE

MERRILL (V.O.)  
 And there, as indicated by the  
 HoloGlyph, we found one of the  
 alien ships, the great discovery we  
 now call, The Agena Starship.

FLASHBACK ENDS. BACK TO PRESENT DAY.

BERRINGER  
 What a moment that must have been!

MERRILL  
 It was terrifying and exhilarating  
 at the same time!

FLASHBACK CONTINUES...

INT. CAVE

Merrill and Divine touch the exterior of the starship and a  
 DOOR opens. They cautiously walk inside.

INT. AGENA STARSHIP - CONTINUOUS

Floating inside The Cube is an ALIEN BEING, over 6 feet tall.  
 His large almond shaped eyes are open but dark and hollow  
 like a shark's eyes. He seems to be in an AWAKE-DREAM. His  
 body is opaque white and poreless. Bioluminescent transient  
 light reacts to his breathing rhythm and streaks randomly  
 throughout his physiology.

MERRILL  
 Inside the ship we discovered an  
 alien being floating inside a large  
 force field cube.

FLASHBACK ENDS. BACK TO PRESENT DAY.

BERRINGER  
 Enigma!

MERRILL  
 Yes. The alien pilot we now call,  
 Enigma.

FLASHBACK CONTINUES....

INT. AGENA STARSHIP

Merrill and Divine attempt to find a way to open The Cube.

MERRILL (V.O.)

We assumed he should have been auto-released from The Cube when the ship landed to complete his mission, like so many before him, but The Cube had somehow malfunctioned.

BERRINGER (V.O.)

Or been sabotaged!

MERRILL (V.O.)

Next to The Cube was The Blue Key.

We see The Blue Key, the 10 inch long device with ALIEN GLYPHS embossed on it. Bioluminescent lights randomly shoot through it. It sit in a HOLDER next to The Cube. Young Merrill takes it out and inserts it into a matching HOLE on the console. A screen materializes with PLANETS AND STAR SYSTEMS.

MERRILL (V.O.)

When the key was inserted we could see the ship's origin, a planetary system orbiting the blue giant star, Beta Centauri, also known as, Agena.

FLASHBACK ENDS. BACK TO PRESENT DAY.

BERRINGER

Why do you call the stone The Doomsday HoloGlyph?

MERRILL

The images further down the stone are disturbing, Jason. Prepare yourself.

Merrill scrolls the touchscreen into the future timeline. He stops at an image of Earth orbiting the sun. In distant space, a point of light APPEARS. Slowly the light gets larger as it approaches the solar system. The light is revealed as an interstellar RIBBON OF ENERGY arcing across the galaxy amid a sea of stars toward Earth like a great luminous serpent. The energy ribbon enters our solar system and slams into the Earth obliterating it completely then descends down into the black void of space. In its aftermath, debris, and the great ribbon, like a HIGHWAY IN SPACE, extending through the galaxy in both directions.

BERRINGER

What is it?

MERRILL

Unknown. But the Agenians obviously wanted us to know about the danger.

MERRILL (CONT'D)

I can only assume this is the true purpose of the HoloGlyph and why human beings have been taken away since ancient times. Possibly to save at least some of our species.

BERRINGER

Do we know when it will hit?

MERRILL

According to the HoloGlyph... in our life time, Jason.

BERRINGER

My God! What happened to The Blue Key, to Divine?!

FLASHBACK CONTINUES...

INT. AGENA STARSHIP

Divine holds the alien Blue Key in his hand and becomes invisible.

MERRILL (V.O.)

When Donald's human hand held the alien key it rendered him virtually invisible.

BERRINGER (V.O.)

Like Membrain!

MERRILL (V.O.)

Yes. There we stood, partners in the greatest discovery in the history of mankind. We both agreed, the Agena Starship was a game-changer. We vowed not to fulfill our mission. It must never fall into the hands of any one government. For two months we worked to hollow out Black Rock Mountain using the ship's onboard size technology.

BERRINGER

That's how Membrain hollowed out the volcano using the Pyramid Maker!

MERRILL

We decided to create a new agency to preserve and protect our discovery. We flipped a coin for the honor of naming it.

FLASHBACK ENDS. BACK TO PRESENT DAY.

BERRINGER  
And you won.

MERRILL  
Yes.

BERRINGER  
What happened then?!

FLASHBACK CONTINUES...

INT. CAVE - NIGHT

Merrill awakes from his sleep on a makeshift COT.

MERRILL (V.O.)  
One night I was awakened by a low humming sound. I rushed into the ship and interrupted Donald attempting to steal it! I asked what he was doing?! He struck me! In my delirium I felt him dragging me out of the ship into the cave! When I recovered, I attempted to stop him. We struggled. I somehow got my hand on his blaster pistol. I intended only to use it to knock him out... but the weapon FIRED! The blast completely pulverized the lower half of his face. I rushed to his aide! He struck me again. In agony, Donald snatched The Blue Key and vanished before my eyes!

FLASHBACK ENDS. BACK TO PRESENT DAY.

MERRILL  
I haven't seen him since!

BERRINGER  
Donald kept The Blue Key and you kept The Agena Starship.

MERRILL  
Dark Dawn was so top secret, when we didn't return, we were both classified under the obscure designation, T.REX.

BERRINGER  
(nodding with military familiarity)  
"PRESUMED DEAD, BUT IF ALIVE, A THREAT". I know of the designation but I've never seen it used.

MERRILL

Fortunately, I had the vast financial resources to secretly build Majestic City around the Agena Starship. I was consumed with understanding the staggeringly advanced Agenian technology. One by one my most trusted colleagues joined me, and together we discovered how to use the powerful Agenian device we now call Sky Portal, which created a virtual fold in space between Earth's atmosphere and the moon, allowing us to conceal Majestic City and my lunar home, Peripheral, from the outside world.

BERRINGER

If we could lure Divine in, get The Blue Key back, free Enigma from The Cube! Think of it, Merrill, The Agena Starship OPERATIONAL! The worlds we could discover! The knowledge!

MERRILL

Yes, Jason, and you can best believe Donald Divine is thinking of it too! I'm certain the private arms purchase is to that end.

BERRINGER

Then we must prepare!

MERRILL

Keep our operatives close to home until we figure this out.

BERRINGER

Understood. Merrill, I need to know something. Seven years ago, when you sent Sunny and Peter to that mountain top to rescue me. You told me you had gotten a warning?

MERRILL

Homemade, cryptic, but skillfully coded to reach us behind The Fold. It said simply, "Berringer-Plane-Crash", embedded a Flight plan. But there was nothing we could do, your plane was already in the air. I'm sorry we were too late to save Carol.

BERRINGER

No, that wasn't what I... Could the warning have come from Membrain?

MERRILL  
Doubtful. Seven years ago he would  
have been three years old.

BERRINGER  
I remember him then...

FLASHBACK:

INT. AIRFORCE BASE - MEMBRAIN'S CONTAINMENT ROOM - SEVEN  
YEARS AGO

Military scientists stand around as Berringer and Warhead  
watch three year old Membrain build a MINIATURE NUCLEAR  
REACTOR out of small spare parts. He has BRAINWAVE ELECTRODES  
stuck on his head.

BERRINGER (V.O.)  
During his captivity at the base, I  
saw him build a six inch high  
nuclear reactor out of materials we  
would have thrown away.

Berringer and Warhead look on astounded as Membrain powers it  
up.

WARHEAD  
I'll be damned!

FLASHBACK ENDS. BACK TO PRESENT DAY.

MERRILL  
Then maybe you should ask him.

INT. CELESTIAL TERRACE - MOMENTS LATER

The men walk into a planetarium-like room and look up through  
huge glass dome at the great vastness and the uncountable  
stars.

MERRILL  
The universe... the vastness. Stars  
upon stars... like the sand.

BERRINGER  
It makes you realize how  
insignificant we are.

MERRILL  
Oh no! How GREAT we are!

BERRINGER  
Great?

MERRILL  
To be a part of it!

EXT. PERIPHERAL LUNA ORBITAL

Pull back to see Merrill and Berringer standing in front of the window looking out upon the cosmos.

SUPERIMPOSE AND  
DISSOLVE TO:

THE FACE OF THE ALIEN HUMANOID, ENIGMA.

INT. MAJESTIC CITY - ALIEN CONTAMINANT - THE ENIGMA CUBE -  
THE NEXT DAY

Enigma floats upright. He seems in an eerie awake-dream, imprisoned inside the 20 X 20 FOOT CLEAR, bioluminescent CUBE. He is alive and aware on some level, yet not present.

PULL BACK TO REVEAL Icky standing in the dimly lit room staring at Enigma through the glass-like alien material, fascinated and in awe. Enigma slowly floats closer to the clear wall of The Cube, seemingly aware of Icky's presence. Icky nervously recoils away.

Enigma reaches out his finger to TOUCH... Icky composes himself and reaches out his finger. Their fingers touch without touching on either side like the great painting of God and Adam on the ceiling of the Sistine Chapel.

A CLANKING NOISE behind Icky startles him and he quickly withdraws his hand. He turns to see a MAINTENANCE TECH pushing a large futuristic CLEANING DEVICE across the floor. Icky walks away and over to an EXIT PORTAL, places his palm on the ENTRANCE SENSOR, and enters the portal. He looks back at Enigma one more time then his body fibrillates and DISAPPEARS into the portal.

INT. ALIEN CONTAINMENT - TECH LABS - A MOMENT LATER

Icky REAPPEARS on the other side of the portal. Technicians are busy going about their duties. Icky is approached by Darian.

DARIAN  
Icky! What brings you to  
Containment? Did you visit The  
Enigma Cube?

ICKY  
Yeah.

DARIAN  
Majestic school kids love him!  
Incredible isn't he?!

ICKY  
Thirty years inside The Cube...  
Everything is so strange here.  
(somber)  
Can I see Membrain?

ARIAN  
Normally, no.  
(touching his badge)  
But you're the only kid in Majestic  
City with MJ ONE status.

ICKY  
What are you gonna do to him?

DARIAN  
Icky, Membrain's going to be under  
observational research for a long  
time. Probably the rest of his  
life.  
(empathetic)  
Come on, let's go see him.

Darian takes Icky through various security doors and check points. They enter a final portal, disappear then re-appear on the other side.

INT. MAJESTIC CITY - ALIEN CONTAINMENT - MEMBRAIN'S LIVING  
QUARTERS - CONTINUOUS

Icky and Darian walk into the quiet all white area outside Membrain's glass-enclosed living quarters. An armed SECURITY GUARD stands in an elevated booth. There are various white pieces of KID'S FURNITURE in the room. Membrain is bouncing a small BASKETBALL, dribbling, and shooting it into a little HOOP as he watches an LA LAKERS GAME on a FLAT SCREEN. He's wearing a pair of JEANS, a TEE SHIRT, and SNEAKERS. His large head, pale skin and pointed ears enhance his alien-elf look.

ICKY  
He's a weird looking kid.

DARIAN  
I don't think he's ever had a  
chance to be a kid. He's the first  
hyphenate, half-alien, half-human,  
at least that we know about.

ICKY  
Why is everything in the room  
white?

DARIAN

It seems to reduce his natural instinct to camouflage into the background. He can really disappear. We're on constant alert.

Icky looks up at the Security Guard in the booth.

ICKY

(to Darian)

Can I talk to him?

DARIAN

Sure. Touch this pad. As long as your hand is there he'll hear and see you.

Icky places his hand on the PAD on the wall. A soft, pleasing tone is HEARD and the clear glass-like field shimmers. Membrain turns to look at Icky. Icky walks up to the glass.

MEMBRAIN

Icarus.

ICKY

My mom died because of Radion Syndrome!

MEMBRAIN

Was she a good mom?

Icky holds and looks at the PAPER CLIP hanging from the chain around his neck.

ICKY

The Prototype!

MEMBRAIN

It killed my mom too.

Membrain's skin flutters momentarily and he camouflages into the white on white background of his containment room. Icky takes his hand off of the pad. The glass shimmers.

DARIAN

He's still learning how to handle his emotions.

ICKY

What does he eat?

DARIAN

He doesn't eat or drink. He doesn't need to. He's got an alien organ in his body. It produces the Radion. We haven't been able to figure out how it does it, but it keeps him alive.

ICKY  
Does he have anything human?

DARIAN  
Yes...  
(looking sweetly at Icky)  
He has a heart.

Membrain's GREY BLUE EYES appear within the contours of his camouflaged body.

INT. MAJESTIC - MEDICAL COMPLEX - DR. SINGH'S ROOM - LATER

Dr. Singh stares back at his reflection in the MIRROR. He looks edgy -- sweats pours down his face -- he rolls his tongue in his mouth and tastes his own saliva -- he grimaces and places his hand to his mouth at the distaste.

A PLEASANT TONE SUDDENLY fills the room. STARTLED he jerks nervously. He tries to compose himself -- rapidly fixes his hair and wipes sweat from his face.

DR. SINGH  
Open.

The door automatically opens. Anthony, Icky, and Armor Geddon enter.

ANTHONY/DAEDALUS  
Hey, Doc! You're back on land again!

ARMOR GEDDON  
We were worried about you for a minute!

ANTHONY/DAEDALUS  
We thought you'd lost your mojo!

They embrace. Dr. Singh doesn't laugh. They notice his edginess and their laughter dies.

DR. SINGH  
Why didn't you tell me? I had to find out from Dr. Cho.

Silent beats pass...

ANTHONY/DAEDALUS  
I didn't know how her death would affect you inside the tank. I'm sorry.

ICKY  
How do you feel, Doc?

DR. SINGH  
 I feel... different that's all.  
 I've had asthma all my life, but  
 not anymore!

Dr. Singh breathes deeply. He goes over to a desk and picks up TWO SOFTBALL SIZED ROUND METAL SPHERES. He comes back over and tosses them one at a time to Anthony and Armor. They catch them. The heavy weight is obvious.

DR. SINGH  
 They're ball bearings from  
 StarPhazer. I had Top Cat bring  
 them up. They're carbon steel,  
 tensile strength of point 84 GPa.  
 I've never been strong, physically.

He takes them from Anthony and Armor and holds them out -- he squeezes them -- crushing and denting them in his hands like soda cans. Everyone is stunned.

ICKY  
 WHOA!

Dr. Singh tosses the crushed balls over into a BOX with THREE OTHER CRUSHED BALL BEARINGS.

ANTHONY/DAEDALUS  
 Have you told Dr. Cho about this?

DR. SINGH  
 No.

ANTHONY/DAEDALUS  
 Listen, Ravi, we'll come back. Get  
 some rest.

DR. SINGH  
 NO! Don't go! I'm glad to see you!

Concerned beats pass...

ANTHONY/DAEDALUS  
 We're going back to the volcano.

DR. SINGH  
 Why?!

ICKY  
 To find Sunny's body!

ANTHONY/DAEDALUS  
 We had to get out of there so fast  
 after your life was in danger and  
 the place blew. But we can't leave  
 her body behind to rot without a  
 proper burial.

ARMOR GEDDON  
We owe her! I owe her!

DR. SINGH  
You don't have to convince me, I'm  
in!

ANTHONY/DAEDALUS  
Doc, you can't...

DR. SINGH  
I'M IN! The Majestic Force, right?!

Icky walks over to Dr. Singh's work table and looks at an odd  
GOLD METAL SNAKE HEAD.

DR. SINGH  
What about Berringer, does he know?

ANTHONY/DAEDALUS  
No. A new protocol was issued an  
hour ago from Merrill himself. All  
operatives are on full quarantine.

ARMOR GEDDON  
Majestic's on lock down!

ANTHONY/DAEDALUS  
There's something big going on  
higher up.

Icky picks up the metal snake head -- turns it over. There  
are MICRO CIRCUITS and GEL DIODES inside. Icky examines it  
curiously with unfamiliarity and concern.

Dr. Singh walks over to Icky and politely takes it from him.  
Their eyes meet. He speaks to Daedalus and Armor while still  
looking at Icky.

DR. SINGH  
How are you going to get outside?  
Without authorization you won't get  
airborne.

ANTHONY/DAEDALUS  
Top Cat's with us!

Dr. Singh turns to Daedalus and Armor.

DR. SINGH  
That's one down, but how are you  
gonna get through Sky Portal?!  
StarPhazer will light up Lynn  
Kang's board like a Christmas tree!

ANTHONY/DAEDALUS

Yeah...  
 (sly smile)  
 I'm not too worried about Kang.

INT. MAJESTIC CITY - OUTSIDE LYNN KANG'S APARTMENT - THAT NIGHT

Top Cat rings the door bell. The door opens, Lynn Kang stands there looking lovely and seductive in her silk night gown.

LYNN  
 Hey, Top Cat.

TOP CAT  
 Hey Baby Doll.

She puts her arms around him and gives him a big kiss.

LYNN  
 Took you 24 to come get your  
official welcome home?!

TOP CAT  
 Up 72 down 24. And with the  
 memorial... I did not wanna be  
 tired when I come get my OH-  
 ficials! You deserve my undivided  
 atten-chee-own! You're so sweet...  
 so beautiful.

LYNN  
 You have a honey tongue, Top Cat!

TOP CAT  
 (suggestively)  
 Oh yeah!

Top Cat enters...

LYNN  
 (suspicious)  
 What do you want?

...and slowly closes the door behind him.

INT. A MOUNTAIN CAVE - THAT NIGHT

CAMERA PUSHES IN ON Sunny sitting in the WATER OF A NATURAL CAVE POOL under the dim starlight coming through a hole in the cave ceiling. Sunny weeps silver tears from her crystalline eyes as she tries desperately to scrub off the red from her skin and hair. It won't come off.

EXT. A CLIFF OUTSIDE THE MOUNTAIN CAVE - LATER

Sunny, dressed in her Majestic Uniform, stands on the edge of a cliff, despondent. Stars fill the sky. She stares at the mile long drop below -- turns around so that her back faces the open air. In anguish, she grabs a handful of her red and white streaked hair. She leans backward and lets herself drop off the edge.

We don't see her falling. After a moment, Sunny floats back up until she is visible HOVERING on her back in the night air. She SCREAMS out in anguish. Her screams echo through the mountains.

Suddenly, A REFLECTIVE FLASH OF LIGHT high above on the mountain face, catches Sunny's attention. She flies up to investigate and lands smoothly on her feet at the ENTRANCE OF ANOTHER CAVE. She enters the cave.

INT. CAVE ENTRANCE

Sunny looks up at the cave ceiling. A patch of SHINY SILVER reflects in the moonlight. Her SOLAR EYE BEAMS burst on. The beams narrow as the SHINY SILVER is CUT from the rock with the precision of a laser beam. It drops into her hand.

SUNNY

Silver!

She unfastens her Majestic WristCOM and opens the mechanism. It's burned out. As she walks further into the cave she removes the fried circuits from her Wristcom.

SUNNY

(to self)

It's not much... but I can make my own circuits and maybe a booster antenna with... it...

Sunny looks up slowly. Her facial expression turns to awe as she stares at the PURE SILVER COVERED WALLS of AN ENORMOUS HIDDEN CAVE.

INT. COLONEL JACK WARHEAD'S BEDROOM - THAT NIGHT

Warhead is asleep in his bed next to his wife, WINIFRED. The HOLO-PHONE RINGS. After several RINGS he answers it with a WORD.

WARHEAD

ON!

Allen Dower APPEARS as a three-foot tall HOLOGRAPH right in the bedroom in front of the bed.

WARHEAD

Al? What is it? What time is it?

ALLEN DOWER

You haven't heard?

WARHEAD

Heard what?!

(sitting up)

ARE WE AT WAR?!

ALLEN DOWER

I just got off the phone with Harry Tana at The Post. He says he's got evidence that...

ANOTHER HOLO-PHONE LINE RINGS.

WARHEAD

Is this my bedroom or Grand Central Freakin' Station! ON!

Harry Tana's holograph APPEARS next to Allen Dower's holograph.

WARHEAD

It's 2AM, Tana! What the butt-blaster do you want?!

Winifred WAKES UP.

WINIFRED

Jack, what's going on?

HARRY TANA

We're going with a story tomorrow that says YOU are directly responsible for the murder of your superior officer General Jason Berringer!

WARHEAD

What are you talking about? He died in a plane crash!

HARRY TANA

That you sabotaged!

WARHEAD

Jason Berringer was my friend! Why would I want him dead?

HARRY TANA

So you could take over the top secret bio-weapons program...

WARHEAD

If it's so top secret, how come you know about it?

HARRY TANA

...and deliberately release Radion into the civilian population! Which you did!

A HOLO-SCREEN APPEARS with SURVEILLANCE VIDEO of Warhead ON THE PHONE.

HARRY TANA

Seven years ago, in a hotel room...

WARHEAD IN THE VIDEO (ON THE PHONE)

If you want control of the Radion, we've GOT to get rid of Berringer! Once I'm a General...

WARHEAD

(watching the images)  
What is this?!

WARHEAD IN THE VIDEO (ON THE PHONE)

That's right! An epidemic of EPIDEMIC proportions! We'll make a fortune from the cure! You do have the cure don't you?!

HARRY TANA

Who were you talking to Colonel?

WARHEAD

THAT ISN'T ME!

ALLEN DOWER

It looks like you to me, Jack!

WARHEAD

THIS IS A FRAME UP!

WINIFRED

Jack, I'm scared! What's going on?!

Warhead JUMPS UP out of bed.

WARHEAD

AL! DON'T BELIEVE IT!

ALLEN DOWER

You've got some trouble, Jack.

WARHEAD

I HAVEN'T DONE ANYTHING!  
ALLEN, HELP ME!

Winifred starts CRYING.

HARRY TANA  
Are you ready to make a statement,  
Colonel?

WARHEAD  
YOU CAN'T TAKE ME DOWN! DO YOU KNOW  
WHO I AM?! I AM COLONEL JACK  
WARHEAD! AND YOU... YOU'RE AN  
INSECT! I WILL PUT YOU UNDER MY  
SHOE AND CRUSH YOUR FLIMSY BODY  
UNTIL YOUR GUTS GUSH OUT OF YOUR  
EARS, YOU MAGGOT! I AM JACK...!

SMASH CUT TO:

INT. PENTAGON COURTROOM - MILITARY HEARING - WEEKS LATER -  
DAY

MILITARY JUDGES -- OFFICERS sit at a long table.

Warhead sits at the DEFENDANT TABLE in front of the military  
COURT MARTIAL. Winefred Warhead sits in the audience behind  
Warhead.

Harry Tanna and the PRESS CORE sit to one side. GALLERY OF  
SPECTATORS sits on the other side. Allen Dower and Quinn  
powers sit in the front row.

WARHEAD  
WARHEAD!!!

MILITARY JUDGE  
You stand accused of sabotaging the  
aircraft of General Jason Berringer  
and causing his death and the death  
of his wife Carol Berringer. You  
are further charged with  
deliberately releasing a hazardous  
substance into the civilian  
population and causing Radion  
Syndrome... for profit!

WARHEAD  
THAT'S A LIE! A DAMN LIE! AND  
BERRINGER ISN'T DEAD!

The courtroom GASPS.

QUINN POWERS is wearing EYEGLASSES. She adjusts them  
meticulously. Camera pushes into a small LENS between the  
frames.

INT. MAJESTIC CITY - COMMAND AND CONTROL - AT THE SAME TIME

Merrill, Berringer, and Peter Dragon watch the proceedings on a MONITOR SCREEN through Quinn's EYEGLASS CAMERA LENS.

WARHEAD

THAT'S RIGHT! HE'S STILL ALIVE!

MILITARY JUDGE

Colonel Warhead, can you prove this?

WARHEAD

HE WORKS FOR MAJESTIC! MERRILL MAJESTIC!

The Officer Judges and the Press LAUGH. Merrill and Berringer looking knowingly at each other.

INT. PENTAGON COURTROOM

WARHEAD

THEY DO EXIST! MERRILL MAJESTIC!  
HE'S BEHIND THIS! HE FRAMED ME!

Allen Dower shakes his head in resignation. The MILITARY PROSECUTOR addresses the court.

MILITARY PROSECUTOR

The Judge Advocate feels we have gathered enough evidence to charge Colonel Jack Mathias Warhead...

Quinn slips out of the courtroom and into the hallway. She discreetly attaches a RED, high-tech device, a BENDER, onto her CELL PHONE. The lights on the bender chase and a secret number is dialed.

INT. MAJESTIC CITY - COMMAND AND CONTROL

Peter answers the phone.

PETER

Commander, Quinn Powers on the bender.

BERRINGER

Put her on the COM.

Peter puts the phone onto the Com-link. Berringer speaks.

BERRINGER

Quinn.

CUTS BETWEEN PENTAGON HALLWAY AND MAJESTIC:

QUINN  
 Have you been watching? Warhead's  
 accusing The Founder of a set up!  
 What are your orders?

Berringer PRESSES A MUTE BUTTON and speaks to Merrill.

BERRINGER  
 Did you?

MERRILL  
 No.

BERRINGER  
 Who do you think he was talking to  
 on those surveillance tapes? And  
 how did the press get them?

MERRILL  
 Divine! On both counts! It must be!  
 But why would he want Warhead  
 exposed?

BERRINGER  
 Quinn, observe. Don't interfere.

QUINN  
 Yes, sir.

Quinn removes the bender device from her cell and walks back  
 into the courtroom.

INT. PENTAGON COURTROOM

WARHEAD  
 I WILL NOT BE JUDGED BY MY  
 INFERIORS!

HARRY TANA  
 CRUSH ME LIKE AN INSECT, HUH?!

Tana LAUGHS and GLOATS with the other reporters. Rev.  
 Goodfriend ENTERS the courtroom. A GUARD stops him.

REV. GOODFRIEND  
 (to guard)  
 Please, I'm the Colonel's minister.

The Guard allows him to enter. Goodfriend makes his way  
 through the crowd and towards Warhead as Warhead's lawyer  
 addresses the court.

WARHEAD'S LAWYER  
 Judge, I wish to state emphatically  
 that the charges against my client  
 have been fabricated.

Goodfriend stands at Warhead's side.

WARHEAD  
(under his breath)  
Goodfriend! What are you doing  
here?

GOODFRIEND  
(under his breath)  
In your darkest hour...

Goodfriend stealthily slips a FLAT, SQUARE PANEL under Warhead's suit jacket. He then discreetly PRESSES A BUTTON SERIES on a SMALL CONTROL PANEL and a SOLDIER darts out from the crowd.

SOLDIER  
MURDERER!!!

The Soldier SHOOTS Warhead with a BLASTER PISTOL. The shot strikes Warhead in the spot where Goodfriend hid the protective panel. Jack is knocked to the ground by the force of the blast.

WINIFRED  
JACK!

Pandemonium erupts as people run in panic from the courtroom.

INT. MAJESTIC CITY - COMMAND AND CONTROL - AT THE SAME TIME

Berringer, Merrill, and Peter see the shooting on the large screen. They REACT.

INT. PENTAGON - COURTROOM

In the confusion, Allen Dower rushes over to Warhead laying pale and shaky on the ground.

WARHEAD  
I'VE BEEN SHOT!

ALLEN DOWER  
(under his breath)  
No, Jack.

Unseen by anyone, Allen swiftly JABS Warhead with a hidden FUTURISTIC-LOOKING SYRINGE. The drug renders Warhead unconscious in an instant. Allen and Goodfriend exchange a SECRET LOOK OF ALLEGIANCE.

TWO POLICE OFFICERS rush the Soldier, grab him, and wrestle him to the ground as he FIRES into the air.

SOLDIER  
I COME TO SERVE! I COME TO SERVE!

Goodfriend pushes a button on the control panel and suddenly the Soldier shakes and convulses. An EXPLOSION INSIDE THE SOLDIER'S BODY slams him back into the police, knocking them over.

CIRCUITS, DIODES, AND SYNTHETIC MECHANISMS EXPLODE FROM THE SOLDIER'S CHEST

The Soldier's body smokes as he lays atop the police officers.

HARRY TANA

A SYNTH!!!

PHOTOGRAPHERS take shots of the wild scene. PARAMEDICS rush into the courtroom and work on Warhead as he lays on the ground.

LEAD PARAMEDIC

This man is dead.

A few Press photographers SNAP SHOTS of Warhead's dead body. Winifred screams.

REV. GOODFRIEND

Please allow this poor man his final dignity.

Goodfriend and the Lead Paramedic exchange a SECRET LOOK OF ALLEGIANCE as Warhead's body is placed on a HOVER-STRETCHER and rapidly removed from the chaotic courtroom.

EXT. PENTAGON - MOMENTS LATER

Quinn watches as Warhead's body is put into a waiting AMBULANCE. Goodfriend cuts a look back at Quinn.

QUINN

You're the clergyman from the press conference! What are you doing here?!

Goodfriend doesn't answer. He gets into the ambulance. Quinn watches as the ambulance drives away.

INT. MAJESTIC CITY - RESEARCH LAB - LATER THAT EVENING

Dr. Singh, shirtless, has sweat on his forehead and arms. His expression is intense. He is wearing a high-tech FOREARM BAND with buttons and lights. With his back facing a FULL LENGTH MIRROR, he looks over his shoulder and painfully attaches a I.V. PORT into a RECEPTOR PANEL surgically implanted into the base of his own spine. He yells out in pain as he CONNECTS IT IN.

He walks over to a WORK TABLE and uses the ADVANCED TOOLS to meticulously tinker on what looks like a sleek, futuristic, high-tech, gold METAL BACKPACK and CHEST PLATE.

DR. SINGH  
 (talking to the backpack)  
 As Icarus Little says, you're gonna  
 need a name... The Creeper Suit!

He connects a clear bionic VEIN-LIKE TUBE attached to the backpack into the I.V. port at the base of his spine, then puts the shell casing of the backpack around his torso and back and secures it.

He pushes a button combination on the forearm plate and his BLOOD begins to flow up the clear tube and into the backpack.

DR. SINGH  
 Intelli-cells... FLOW!

In moments, a finely crafted flexi-metal, GOLD CYBORG COBRA uncoils from the backpack and moves into position at Dr. Singh's side like a pet serpent, neck flexed and prepared to strike. The cobra's EYES illuminate RED and a FORKED PLASMA TONGUE snaps out.

DR. SINGH  
 I name you... SEEK!

Suddenly, Dr. Singh's WristCom BEEPS and illuminates. He answers.

DR. SINGH  
 This is Dr. Creeper!  
 (correcting)  
 Dr. Singh!

ANTHONY/DAEDALUS (V.O.)  
 Dr. Creeper?!

DR. SINGH/DR. CREEPER  
 What's up, Ant?

ANTHONY/DAEDALUS (V.O.)  
 It's time. Armor and Icky are on  
 their way to StarPhazer!

DR. SINGH/DR. CREEPER  
 I'll see you there.

He signs off then looks over at Seek.

DR. SINGH/DR. CREEPER  
 Dr. Creeper and Seek... of The  
 Majestic Force!

The bionic cobra's eyes GLOW and it STRIKES OUT INTO THE AIR, deadly and ALIVE.

EXT. MEXICO - NIGHT SKY - LATER THAT NIGHT

StarPhazer streaks across the night sky under a sea of stars.

INT. STARPHAZER

The flight to the volcano is somber. Anthony, Armor Geddon, Dr. Singh, and Top Cat are silent. Icky does a systems check on his GYRO CHAIR system in the SPHERICAL CONTROL ROOM. Next to Dr. Singh is a MYSTERIOUS GOLD METAL CASE.

ANTHONY/DAEDALUS  
What's in the case?

DR. SINGH/DR. CREEPER  
My mojo.

TOP CAT  
Membrain's volcano on the left!

EXT. MEXICO - THE NIGHT SKY

StarPhazer hovers above the basin and lowers down through the mouth of the volcano. The Lava projection is gone. Only the PROJECTION MECHANISM around the rim remains.

INT. HOLLOWED OUT VOLCANO - MOMENTS LATER

StarPhazer lands near the burned out shell of Membrain's secret base. The hatch opens revealing Anthony, Icky, and Armor Geddon.

Dr. Singh steps up next to them wearing his new gold metal CREEPER SUIT.

DR. SINGH/DR. CREEPER  
CREEPER SUIT ON!

The Creeper Suit powers ON. LIGHTS on the chest plate ignite.

DR. SINGH/DR. CREEPER  
SEEK!

Seek emerges from the backpack at his shoulder.

ANTHONY/DAEDALUS  
That's some mojo!

TOP CAT  
Daedalus, I'm getting some weird signals. I don't think it's Sunny WristCom. I can't tell if it's natural or not.

Suddenly, a LARGE REGIMENT of DIVINE'S SOLDIERS riding their JET JAMMERS zip out of hiding toward StarPhazer.

ICKY  
I'D SAY NOT!!!

Icky rushes into the Spherical Room. He sits down in the specially constructed Gyro-Chair. High-tech latches lock around Icky's legs and ankles. A PADDED HARNESS powers down over his chest. He now looks like he's locked into a futuristic roller coaster cockpit.

The Daedalus Skin Controller lowers into Icky's hands and illuminates with data and buttons. A 360 degree VIEW-SCREEN illuminates on the SPHERICAL WALLS AND DOMED CEILING. The screen gives Icky a complete view of outside the ship.

ICKY  
UP! UP!

The Gyro-Chair ELEVATES to the middle of the spherical room and gyroscopically SPINS then stops.

ICKY  
HEADSET!

Icky's HEADSET system lowers onto his head.

ANTHONY/DAEDALUS  
LET'S GET IT ON!

Icky pushes the buttons on the Daedalus Skin Controller and Anthony POWER JUMPS out of StarPhazer.

Armor Geddon CLASHES TOGETHER the TWO METAL BANDS on his wrist.

The CyGen Suit POWERS ON around him. Armor lifts off the ground into the middle of the 15 foot CyForce Field.

JET JAMMER LEADER  
(looking at Armor)  
WHAT THE HELL IS THAT?!

Armor runs toward the enemy Jet Jammers.

ARMOR GEDDON  
CHROMAFLAGE ON!

His CyGen Suit flickers then a BLACK AND WHITE COW PATTERN appears.

ARMOR GEDDON  
CRAP!

Two Jet Jammers speed toward him.

ARMOR GEDDON  
 WELL IF IT'S GONNA BE FARMER  
 GEDDON, THEN LET'S CUT SOME CORN!

Armor jumps into the air, spins, and SLAMS HIS CYGEN-FIST down on one of the passing Jet Jammers. It explodes. The PLASMA WRIST CANNONS on Armor's CyGen Suit SPIN as they fire off rounds of pulverizing PLASMA BULBS at more oncoming Jet Jammers. One of the Jammers is hit, it slams into another and they both explode.

INT. SPHERICAL CONTROL ROOM

Icky spins gyroscopically in his control chair. Attacking Jet Jammers appear on the 360 degree spherical screen.

ICKY  
 THEY'RE LIKE BEES!

QUICK HEADSET CUTS BETWEEN MAJESTIC FORCE:

ANTHONY/DAEDALUS  
 V-WINGS!!!

ICKY  
 (looking at screen data)  
 I'm getting some weird readings  
 from the magnetosphere!

TOP CAT  
 That's cuz we're inside a volcano!

A Jet Jammer speeds toward Anthony.

ANTHONY/DAEDALUS  
 I NEED 'EM NOW!

The Jet Jammer gets closer.

ICKY  
 The magnetic currents are crazy in  
 here, Ant! Those things don't fly  
 on the wind! I can't be sure...

The Jet Jammer is right on him.

ANTHONY/DAEDALUS  
 ICKY!!!

Icky pushes a button and the "V" brace on the Daedalus Skin spine snaps open and the VIRTUAL WINGS SNAP OUT. Anthony jumps 50 feet from the ground but TWIRLS OFF BALANCE, tumbling. The speeding Jet Jammer just misses him.

ANTHONY/DAEDALUS  
 COME ON! STABILIZE!

Icky frantically pushes buttons on the controller to stabilize the flight. Anthony regains stability in mid-air and streaks up into the air.

He flies high over the Jet Jammers then dives down to the ground and springs 50 feet in the air. On each bound he fires his DUAL-FOREARM BLASTERS at the Jammers from impossible aerial angles.

A high-tech VISOR snaps down over Dr. Singh's eyes. A Jet Jammer driver zooms over -- grabs him and drags Dr. Singh along the ground.

DR. SINGH/DR. CREEPER  
SEEK, FIRE!!!

SEEK fires LASERS FROM HIS EYES and scores a direct hit on the driver. The Jet Jammer flips in the air as the Driver releases Dr. Singh.

INT. SPHERICAL CONTROL ROOM

Icky is IMMERSED in the 360 screen images projected onto the walls spherical room. He sits in his gyro-chair in mid-air in the center of the room. The chair SPINS as it auto-syncs to Anthony's aerial moves. Three Jet Jammers take flight and engage in aerial combat with Anthony.

JAMMER RIDER #2  
FIRE!

Jammer #2's bullets strike Anthony and BOUNCE OFF the Daedalus Skin.

ICKY  
SWITCHING TO FIRST PERSON SHOOTER!

Icky now sees through Anthony's OPTIC.

ANTHONY/DAEDALUS  
FIRE!

Anthony fires photon bulbs from his WRIST-BLASTERS. DIRECT HIT. Jammer #2's Jet explodes in mid-air.

ANTHONY/DAEDALUS  
GAME OVER!

ICKY  
SO DIGITAL!

Jammer #3 speeds toward Dr. Singh. He jumps out of the way. As Jammer #3 speeds past him, Seek, strikes with lightning speed and bites him on the neck.

JAMMER #3  
AAARRRRGGHHHH!

He crashes into another Jammer and their jets explode.

Suddenly, TWENTY more Jet Jammers streak through the volcano's mouth into the battle from the sky and swarm the sky.

ICKY  
THERE'S MORE!

Icky's gyro-chair spins and swivels as it tracks Anthony's aerial swoops and streaks. Icky uses the controller to maneuver Anthony to avoid the incoming Jammers. Anthony snatches Jammer Riders one by one off their seats. They tumble to the ground below. Jammer #4 streaks by Anthony knocking him into a tumble. Anthony recovers.

ANTHONY/DAEDALUS  
FOLLOW THIS ONE!

Icky masterfully controls Anthony like a video game fighter jet as they chase Jammer #4. Anthony fires rounds from his forearm blasters as Jammer #4 zips and weaves through the air.

DEADALUS  
GET ME CLOSER!

Anthony turbo-swoops under the Jet, then over the top, and snatches Jammer #4 off his jet. Jammer #5 streaks toward Anthony. He throws Jammer #4 into Jammer #5's jet. They slam into each other sending them spiraling into the ground.

ARMOR GEDDON  
(firing from his spinners)  
THIS IS GETTING OUT OF CONTROL!

Dr. Singh smashes Jammers left and right with the GOLD FLEXI-METAL GLOVES on his hands. Their machines DENT, CRUMPLE, and CRASH. Jammer #6 speeds toward Dr. Singh.

DR. SINGH/DR. CREEPER  
COME ON!

Seek FIRES LASER EYE BEAMS that knock Jammer #6 into the air. His jet smashes into another Jammer and they explode in mid-air.

Icky pushes furious button combinations to keep Anthony dipping and swooping. Anthony fires punishing blasts at the Jet Jammers that crisscross the sky like a deadly swarm of angry hornets. Six Jet Jammers target Anthony.

JAMMER LEADER  
TAKE OUT THE BIRD MAN!

They streak toward Anthony in formation.

ICKY  
ARMOR HELP HIM!

Armor Geddon jumps high into the air on a boost from his CyGen Suit thrusters. He slams his CyGen-fist into two Jet Jammer. They explode. Two Jammers swoop in behind Armor and fire their blasters. The blasts slam into the back of Armor's CyGen Suit and propel him through the air. Top Cat maneuvers StarPhazer in perfect position to CATCH Armor in the HATCH BAY.

ARMOR GEDDON  
I OWE YOU ONE, T.C.!

JAMMER LEADER'S POV - TARGET SCREEN - ANTHONY IN THE CROSS HAIRS.

JAMMER LEADER  
I GOT YOU!

JET JAMMER #7  
I GOT HIM TOO!

JET JAMMER #8  
NO WAY OUT, BIRD MAN!

SUDDENLY, TWO SOLAR BEAMS BLAST DOWN FROM THE SKY. The beams slam into Jammer Leader's jet instantly incinerating it. The Jammer #7 and #8 look up in shock and surprise.

ICKY  
WHOOOOA! WHAT WAS THAT?!

Everyone looks up to the sky. Like a firebird, Sunny, swoops down mercilessly on the other Jet Jammers... ZOOOOOOOM!!!

ARMOR GEDDON  
WHAT IN THE NAME OF...

Sunny is wearing her new SILVER BATTLE OUTFIT. It covers her breast and bottom in a two-piece design. Her red skin is visible on her stomach, arms and legs. She is wearing SILVER BOOTS. Her face is completely covered by the SILVER BATTLE MASK except for her eyes and mouth. The mask outlines her features and contours protecting her entire face like a tricked out HOCKEY MASK. She streaks through the Jet Jammer swarm knocking the Jammers from their seats.

SUNNY  
EVERY GUY NEEDS A HOT CHICK!

Sunny's powerful solar eye-beams incinerate the Jet Jammers instantly.

TOP CAT  
IF ONE OF THOSE BEAMS HITS THE  
SHIP...!

ANTHONY/DAEDALUS  
I'M WAY AHEAD OF YOU, TOP CAT! DOC,  
GET BACK TO STARPHAZER! WE ARE  
OUTTA HERE!

Icky maneuvers Anthony back into the ship. Dr. Singh rushes up and grabs Armor's helping hand into the ship as StarPhazer takes off.

ANTHONY/DAEDALUS  
TOP CAT, SLAM IT!!!

StarPhazer lifts off amid a hail of blaster shells from the Jet Jammers. The Majestic Force looks out the windows and watches as the mysterious red woman twists and turns through the air battling the Jet Jammers alone -- incinerating them one by one like paper airplanes.

ICKY  
Why are we leaving?!

DR. SINGH/DR. CREEPER  
To incinerate metal like that those  
beams gotta be five thousand  
degrees Celsius!

TOP CAT  
StarPhazer couldn't have taken  
that!

ICKY  
But she helped us!

ANTHONY/DAEDALUS  
We're not even supposed to be here,  
Icky! We're too late to find  
Sunny's body. Too damn late!

Aarmor Geddon POUNDS the wall of the ship in despair as StarPhazer streaks away into the night sky like a bat out of Hell. The towering flames of exploding Jammers light up the volcano top.

EXT. MEXICAN VILLAGE - AT THE SAME TIME

The villagers stare out into the distance. They watch the explosions shoot up from the mountain.

VILLAGER  
(in Spanish)  
ERUPTION! THE MOUNTAIN IS ON FIRE!

INT. DONALD DIVINE'S SECRET BASE - CELESTIAL ROOM - THAT NIGHT

Donald Divine stands in front of a MIRROR. We only see him from the chest down.

Divine's Doctor, DR. GERTA ZENTH (mid 40's, a weird-looking aquiline-faced woman) enters carrying Divine's bizarre, high-tech, FLEXI-METAL JAW AND MOUTH on a decorative, sterling tea service TRAY. There is a GLASS OF RED WINE next to it.

Goodfriend follows behind with an exhausted Jack Warhead.

PAN UP TO DIVINE'S REFLECTION IN THE MIRROR -- Divine takes the metal Jaw from the tray and slowly pulls it up to his face. Before he attaches it, the mirror reflects a nightmarish sight.

Donald Divine is missing the lower-half of his face. It is savagely ripped away just below his nose. It looks ghastly. There is a SPIRAL GEAR SET on each side of his inner throat embedded into what's left of his jaw muscles. There's a COMPUTERIZED VALVE ASSEMBLY surgically embedded around his larynx and esophagus.

WARHEAD  
(repulsed)  
OH, MY GOD!

Divine affixes the metal jaw and exercises it momentarily. It moves like a normal jaw. His clear polymer teeth are visible. Dr. Zenth hands him the glass of wine. He takes a sip.

DIVINE  
Thank you, Dr. Zenth.

DR. ZENTH  
(slightly bowing)  
I come to serve.

One of Divine's OFFICERS enters.

OFFICER  
Forgive the interruption, Divine  
One...

DIVINE  
What is it?

OFFICER  
The Red Witch returned to  
Membrain's base as you suspected.

DIVINE  
AND?!

OFFICER  
A regiment of our Jet Jammers  
staged an ambush as you ordered.

Nervous beats pass...

OFFICER  
They were vanquished. Two are on  
their way back to base.

DIVINE  
Leave.

OFFICER  
(nervously)  
While they were waiting for her to  
return... they battled a para-  
military unit, highly advanced,  
unknown weaponry...

DIVINE  
What? Initiate an in-route video  
stream from the onboard digi-cams!

OFFICER  
Yes, sir!

The Officer nervously exits.

WARHEAD  
(to Divine)  
You wanna tell me what happened in  
that courtroom?!

DIVINE  
You're dead now. We couldn't save  
your reputation, Jack, so we saved  
your life.

REV. GOODFRIEND  
In your darkest hour.

WARHEAD  
Will you stop saying that!

DIVINE  
(shouting)  
YOU SHOULD HAVE FOLLOWED MY ORDERS  
AND KILLED MEMBRAIN WHEN I TOLD YOU  
TO! WITHOUT THAT BOY MAJESTIC NEVER  
COULD HAVE DEVELOPED THE RADION  
ANTI-TOXIN!

WARHEAD  
THE PENTAGON WAS ON MY ASS ABOUT  
RADION SYNDROME! THEY KNEW WHAT WE  
WERE DOING!

WARHEAD (CONT'D)  
 I HAD TO LET HIM ESCAPE SO I COULD  
 BLAME HIM OR THEY WOULD HAVE BLAMED  
 ME!

Divine holds up a BOTTLE OF PILLS.

DIVINE  
 DIVINE INDUSTRIES' MEDICAL WONDER  
 DRUG, ASPEROL! THE ONLY CURE FOR  
 RADION SYNDROME!

He opens the bottle and pours the pills into his hand.

DIVINE  
 DO YOU KNOW HOW MUCH MONEY I SPENT  
 DEVELOPING THIS?! NOW IT'S  
 WORTHLESS! BECAUSE OF YOU!

He throws the pills violently at Warhead as a VOICE comes over the intercom.

DR. ZENTH  
 The video feed is coming in.

The Majestic Force battle against the Jet Jammers appears on the video feed. Divine and company watch with silent, stern faces.

WARHEAD  
 What the Hell?

The images show Anthony flying and fighting, Armor Geddon in his CyGen Suit blasting, Dr. Creeper and Seek pulverizing with laser eyes, and Sunny bursting into the battle from the sky, solar eye-beams ablaze.

WARHEAD  
 (pointing violently at the  
 screen)  
 IT'S THE CHINESE!

DIVINE  
 (calmly)  
 It's Majestic.

INT. ASSEMBLY BAY - LATER

Divine, Rev. Goodfriend, Warhead, and Dr. Zenth exit an elevator. Crewmen are busy at work. Various MILITARY WAR CRAFT are on the bay.

WARHEAD  
 The DemiGod Manta Jet!  
 Predator Tank, Synth Tangler  
 AirFox... YOU! YOU'RE "THE GOOD  
 CUSTOMER"!

DIVINE  
 (offended/correcting)  
GREAT Customer!

Divine pushes a button and a 50 FOOT HIGH WALL begins to turn on a platform. Slowly a 50 FOOT HUMANOID CYBORG SHELL is revealed.

DIVINE  
 Behold! The Warhead!

WARHEAD  
 Warhead?! I'm honored!

On the sides of The Warhead are huge industrial ELEVATOR PLATFORMS manned by regiments of CREWMEN hoisting the Predator Crab Leg Tank, DemiGod Manta Jet, and the other weapons of war up onto The Warhead shell, incorporating them into construction. The enormous "shell" appears to require a 50 foot person to wear the suit in order to function.

WARHEAD  
 Who's gonna wear that thing, the Jolly Green Giant?!

EXT. BLACK ROCK MOUNTAIN - LATER THAT NIGHT

StarPhazer flies through the night sky. The Majestic Force rides in silence.

INT. STARPHAZER

ICKY  
 We failed. We got our asses kicked.

Armor and Anthony look at each other in silence.

TOP CAT (ON HEADSET)  
 Lynn, what's your status. Can you get us back without too much attention?

INT. MAJESTIC CITY - LAUNCH BAY ONE - AT THE SAME TIME

A RED ALARM LIGHT spins. Crew members run to and fro. Lynn Kang stands at the Command & Control station.

LYNN (ON HEADSET)  
 No chance, Tops! We got trouble. You got a bogie on your backside, babe.

QUICK CUTS BETWEEN STARPHAZER AND MAJESTIC LAUNCH BAY ONE:

TOP CAT  
A bogie?!

Top Cat quickly checks his panels.

TOP CAT  
You must be reading our reflection!  
There's nothing there!

LYNN  
Auto alert came on five minutes  
ago. It's a hive here! Berringer's  
on his way!

ANTHONY/DAEDALUS  
What's going on?!

TOP CAT  
We're busted!

RADAR TECH #1 keeps a sharp eye on his RADAR HOLO-SCREEN.  
Lynn looks over his shoulder. A strange COMET-LIKE ENERGY  
BALL can be seen on the screen following StarPhazer.

LYNN  
What is that thing?

RADAR TECH #1  
Reading... atomic Weight 1.0079...  
Density .082 g/l.

LYNN  
Hydrogen?!

RADAR TECH #1  
This can't be right.

LYNN  
A vehicle?

RADAR TECH #1  
Too small. And I'm reading carbon  
interlocks. It's part...  
biological! Whew... and fast!

LYNN  
Best guess?

RADAR TECH #1  
(sarcastic)  
A human comet!

INT. MAJESTIC CITY - HOVERWAY - AT THE SAME TIME

Berringer and Peter are in an HOVERCRAFT speeding on the hoverway above streets busy with Majestic crews and operatives, families. Great walls of glass are on either side revealing the Majestic City complex.

BERRINGER  
What the hell was The Majestic  
Force doing out there?! They  
violated my orders!

Peter doesn't look well. He slumps over.

BERRINGER  
Peter!

PETER  
I'm alright.

BERRINGER  
The Radion treatments?!

PETER  
I'm OK.

INT. LAUNCH BAY ONE

RADAR TECH #1  
(to Lynn)  
Chief, whatever's shadowing  
StarPhazer, it's squawking! Looks  
like homing code. And it's  
spiraling!

Radar Tech #2 leans in to observe and verify.

RADAR TECH #2  
(pointing at the screen)  
Blocks of code are missing... like  
it's damaged.

RADAR TECH #1  
(typing)  
Wait a minute! It's fragged out but  
these are decadentials. Cypher,  
Tribe, Forty Eight Forty... and a  
tentative...  
(to Radar Tech #2)  
What do you think?

RADAR TECH #2  
(studying the code on the  
screen)  
That's charity math!

RADAR TECH #1  
Chief, this code's Majestic!

LYNN  
MAJESTIC?! Outside StarPhazer?!

RADAR TECH #1  
The bogie either ghosting, or he's cracked us!

LYNN  
Go to Protocol!

RADAR TECH #1  
Yes, Chief!  
(into Headset/over  
speakers)  
LAUNCH BAY ONE WE ARE IN PROTOCOL!  
REPEAT WE ARE IN PROTOCOL!

Sirens in Launch Bay One burst on. Crews scramble. Lynn speaks into her HEADSET.

LYNN  
This is Kang, Peter Dragon come in!

PETER DRAGON (V.O.)  
This is Dragon.

LYNN  
Peter, we're reading broken encoded signal from a bogie, spiraling decationals written to compensate for The Fold. I've initiated a Precaution Sequence and switched to Protocol! Repeat we are IN PROTOCOL!

INT. MAJESTIC HOVERWAY - AT THE SAME TIME

PETER  
Commander, Launch Bay One's in Protocol. They got a bogie.

BERRINGER  
(restrained anger)  
When I get my hands on Daedalus...

PETER  
Your orders, sir?

BERRINGER  
Send a Level One Assault Team, and tell Containment to bring a cube. Looks like we caught a firefly.

INT. LAUNCH BAY ONE - MOMENTS LATER

Lynn LISTENS... then talks on her headset.

LYNN  
Yes, sir, Copy that!

She presses a button on her headset and switches Com channels.

LYNN  
Assault Team, this is Kang, hit my bay locked and cocked! Containment come with a full-kit, ice cube to the beach! Jake, we may have a fire in the hole so techs and mechs come to party!

Moments later STARPHAZER lands. Jake and his Mech teams scramble. Heavily armed Assault and Containment teams in full biohazard suits, enter and form a gauntlet. Star Luster rushes into the Launch Bay, distressed.

StarPhazer's hatch opens and The Majestic Force emerges. Dr. Creeper looks at all the activity and armed teams in the bay.

DR. CREEPER  
What the hell's going on?

Star rushes over to Anthony and hugs him.

STAR  
My God, Anthony, where did you go?!

ANTHONY/DAEDALUS  
We screwed up. We went back for Sunny's body.

STAR  
The unfinished business...

Berringer and Peter arrive in their hovercraft.

SUDDENLY, SUNNY FLIES INTO LAUNCH BAY ONE. Her FACE is still covered with her silver battle mask.

ARMOR GEDDON  
SHE FOLLOWED US!

The Assault and Containment Teams point their blasters at her.

ASSAULT TEAM LEADER  
ON MY ONE!

Dr. Creeper removes a handheld ANALYZER from StarPhazer and points it at Sunny.

DR. CREEPER  
Icky, look!

Icky steps over to look at the analyzer screen.

ICKY  
Bio-hydro composite!

BERRINGER  
(to Sunny)  
WHO ARE YOU?!

She PUSHES A BUTTON on her wristband and the FOUR PANELS of her battle mask retract REVEALING HER FACE.

ICKY  
SUNNY!

ANTHONY/DAEDALUS AND ARMOR  
SUNNY?!

They all rush toward her.

BERRINGER  
STAY BACK!

They stop short.

ARMOR GEDDON  
IT CAN'T BE!

ICKY  
What happened to you?!

BERRINGER  
Whoever you are... If you are Sunny Sanchez you'll understand what's about to happen!

Berringer motions to Jake and his crew. Darian and Dr. Cho rush in. They are stunned at seeing Sunny alive.

DARIAN  
Sunny...

BERRINGER  
JAKE, GET HER INTO A CONTAINMENT CUBE!  
(to Sunny)  
If you resist...

The Assault Team COCKS and LOCKS their blasters.

ICKY  
(to Anthony)  
Yeah, right, like those are gonna do anything!

ANTHONY/DAEDALUS  
 Commander, those blasters won't  
 help.

DR. CREEPER  
 She could incinerate us where we  
 stand!

Sunny unhinges her right SILVER WRIST PROTECTOR to reveal her  
 MAJESTIC WRIST COM.

SUNNY  
 My new Radion physiology fried my  
 homing implant. I found some  
 materials and repaired my WristCom  
 enough to ping a signal. I was able  
 to pick up The MJ Force signal once  
 they were outside Sky Portal. They  
 were in trouble. I came to help.  
 There was no time to explain.

ICKY  
 (to Berringer)  
 IT'S OUR SUNNY!!!

The Majestic Force RUSHES to greet her. She stops them.

SUNNY  
 Don't touch me yet! I don't know  
 what effect I'll have on you!

DR. CHO  
 (to Jake)  
 Once she's in containment, use  
 polarized 20 millimeter optical  
 acrylic. It should block beta and  
 gamma emissions if she's radiating.

JAKE  
 Got it!  
 (to Sunny/ apologizing)  
 Sunny, I'm really sorry.

SUNNY  
 No sweat, Jake. Do your job.

Jake motions to the crew and a large clear CONTAINMENT CUBE  
 is lowered over Sunny. It's locked down by the Containment  
 Team in heavy biohazard gear.

The containment cube, with Sunny inside, lifts off the ground  
 on hover-jets and is led away by Jake with a handheld control  
 panel.

BERRINGER  
 (to self)  
 Sunny's alive...

BERRINGER (CONT'D)  
 (angry/ to the Majestic  
 Force)  
 MAJESTIC FORCE!

The Majestic Force lines up at attention. Top Cat joins The Majestic Force in the line up.

BERRINGER  
 Top Cat, I don't hold you  
 responsible for this.

TOP CAT  
 YOU SHOULD, SIR!

Lynn demurely joins them in the line up.

BERRINGER  
 You too, Lynn?

LYNN  
 YES SIR!

The Majestic Force and their accomplices stand at attention before Berringer. Their faces show "no regret".

INT. ELEGANT RECEPTION HALL - LOCATION UNCLEAR - AT THE SAME TIME

CAMERA PANS - A LAVISH BANQUET. A CONGREGATION OF 500 WEALTHY AND POWERFUL PEOPLE from many cultures mingle and drink with great kinship and fellowship.

INT. DONALD DIVINE'S SECRET BASE - ASSEMBLY BAY - AT THE SAME TIME

Divine, Goodfriend, Dr. Zenth, and Warhead stand surrounded by a cadre of 10 SOLDIERS.

REV. GOODFRIEND  
 We have planned a ceremony of  
 welcome for you, Colonel.

WARHEAD  
 I like ceremonies!

INT. ELEGANT RECEPTION HALL - AT THE SAME TIME

The gathering of people is interrupted by the SHIFTING SOUND of the enormous WALL in front of them OPENING. Everyone stops their conversations and drinking and turns to face the moving wall which OPENS TO REVEAL,

INT. DIVINE'S SECRET BASE - ASSEMBLY BAY

The Congregation steps out into the Bay.

DIVINE  
CONGREGATION!

The Congregation CHEERS and APPLAUDS.

THE CONGREGATION  
DIVINE ONE! WE COME TO SERVE!

DIVINE  
JACK WARHEAD, YOU HAVE BEEN CHOSEN  
TO BE GENERAL OF THE BLUE KEY!

Divine's Soldiers RUSH forward and grab Jack. He struggles.

WARHEAD  
DIVINE, WHAT ARE YOU DOING?! LET GO  
OF ME!!!

Allen Dower ENTERS.

WARHEAD  
AL! WHAT ARE YOU DOING HERE?!

ALLEN DOWER  
I come to serve.

He bows slightly to Divine.

DIVINE  
Jack Warhead, you must atone for  
your disloyalty and  
insubordination!

WARHEAD  
WHAT IS THIS?! STOP IT! I COMMAND  
YOU! LET ME GO!

CU: JACK WARHEAD'S TERRIFIED, SWEATING FACE.

SMASH MATCH CUT  
TO:

CU: JACK WARHEAD'S TERRIFIED, SWEATING FACE,

as he is torturously forced toward the giant Warhead shell on the highest platform. Jack yells out. Dr. Zenth appears carrying a gallon-sized, ORNATE VILE of blue liquid Radion. She hands it to Divine.

DIVINE  
CONGREGATION OF THE BLUE KEY! BEAR  
WITNESS!

Allen Dower and The Congregation CHEER.

DIVINE  
I, DONALD DIVINE, ANOINT YOU, JACK  
WARHEAD, DEFENDER OF THE FAITH!

THE CONGREGATION  
DEFEND THE FAITH! DEFEND THE FAITH!

Divine connects the vile into a valve on the base of a METAL GRIPPER. He turns it and it locks securely in place. The gripper then moves slowly toward Jack's head. He looks on terrified and powerless.

DIVINE  
You're going to wear my new  
creation into battle.

WARHEAD  
HOW?! HOW CAN I WEAR THIS?!

DIVINE  
Synthetic Radion injected directly  
into your pituitary gland. The  
gland that controls growth.

WARHEAD  
YOU'RE OUT OF YOUR MIND! LET ME GO!  
I'M A UNITED STATES COLONEL! DON'T  
GET TOO BIG FOR YOUR BRITCHES,  
DIVINE!

DIVINE  
Alright. I'll leave that to you!

The Metal Gripper grabs Warhead's head and LOCKS. Warhead SCREAMS. Radion flows through a CLEAR TUBE attached to the gripper and into the base of his skull. He trembles and shakes violently as the Radion saturates his veins. His body begins to GROW... and GROW... into monstrous proportions.

THE CONGREGATION  
AWWWEEEEEE!!!

Warhead SCREAMS. His skin drains of color until he is GHOST WHITE. Radion oozes through his body until it's filled with BULGING BLUE VEINS and his entire body grows until it engorges the 50 foot Warhead shell. Goodfriend opens a BLACK BOX to reveal, THE BLUE KEY, nestled within a velvet mold.

REV. GOODFRIEND  
(head bowed in reverence)  
The Blue Key.

Divine lifts The Blue Key out of the box and holds it up for The Congregation to see. His skin turns translucent.

THE CONGREGATION  
THE BLUE KEY!!!

CONGREGATION MEMBER  
I SEE IT! IT'S REAL! I SEE IT!

ALLEN DOWER  
BLESSED BE THE KEY!

A THEATRICAL SPECIAL EFFECTS LIGHT SHOW shines through Divine's translucent body making his silhouette look supernatural. Just the dramatic effect he wants. Donald INSERTS The Blue Key into a PORT in the large helmet on Jack's now engorged head. It SHOOTS BOLTS OF ALIEN ENERGY in all directions.

WARHEAD  
AAAAGGGGGHHHH!!!

The sight is terrible and dramatic. The Congregation is in awe. Their cheers turn to silent fear.

ALLEN DOWER  
You got your wish, Jack. Reborn as a fighting machine... minus the Jacuzzi!

INT. MAJESTIC CITY - ALIEN CONTAINMENT - THE ENIGMA CUBE - AT THE SAME TIME

Suddenly, Enigma JERKS and SHOCKS VIOLENTLY out of his dream-state. He begins to CONTORT and SEIZE inside The Cube. Lab Rat is on duty -- he's startled out of his monitoring routine by Enigma's sudden seizure. He quickly rushes over to the wall and hits the COM button.

LAB RAT  
ENIGMA IS HAVING A SEIZURE! GET  
COMMANDER BERRINGER TO CONTAINMENT!

Lab Rat watches helplessly as the great alien contorts in pain.

INT. MAJESTIC CITY - CORRIDOR - MOMENTS LATER

Berringer RUSHES down the corridor. Operatives and other technical staff SCRAMBLE. He is joined on the run by Peter. Suddenly, Peter stumbles with sickness. Berringer catches him before he falls.

BERRINGER  
PETER! I'm taking you off the  
Radion tests!

PETER  
No. Please Commander! I can get  
through it!

BERRINGER  
What's Sunny's status?

PETER  
Icky and Doc were right. Sunny's registering as a bio-hydro composite. But she's not sourcing solar energy she's channeling it, like an alias. It's all semantic. No beta isotopes, no gamma iodine emissions... she's radiation free!

BERRINGER  
Then there's no reason to hold her in containment. RELEASE HER!  
RELEASE HER NOW!

Peter rushes off. Berringer jumps into the executive Hovercraft.

BERRINGER  
(calling back)  
PETER!

Peter TURNS BACK.

BERRINGER  
BRING MEMBRAIN TO THE ENIGMA CUBE!

PETER  
MEMBRAIN?

BERRINGER  
JUST DO IT!

INT. MAJESTIC CITY - MAIN CORRIDOR - AT THE SAME TIME

Anthony runs through the Majestic main corridors in full Daedalus Skin. Icky runs next to him carrying the Daedalus Skin Controller. Dr. Creeper joins them in mid-run in his Creeper Suit with Seek at his shoulder. Moments later Armor Geddon runs up behind them in his CyGen Suit.

They stop at a large door shaped like an **M**. It opens and Peter is there. The MJ Force waits in suspense... Sunny walks up behind him.

MAJESTIC FORCE  
SUNNY!

ANTHONY/DAEDALUS  
Welcome back to the land of the living!

SUNNY  
Good to be back!

MERRILL (ON THE SCREEN)  
 Something's affecting...  
 (self realization)  
 The Blue Key! DIVINE! What are you  
 doing with The Key?!

INT. DIVINE'S SECRET BASE - ASSEMBLY BAY - AT THE SAME TIME

The bolts of energy crisscross Jack Warhead's body as he yells.

DIVINE  
 I CHRISTEN YOU.... WARHEAD! THE  
 FUTURE OF WAR!

The Congregation watches now with trepidation. Fear begins to seep in.

INT. MAJESTIC CITY - ALIEN CONTAINMENT

Peter enters with Dr. Cho. Sunny/Solaria FLIES up and around The Cube. She INSPECTS and ANALYZES it from every angle.

MERRILL (ON THE SCREEN)  
 SUNNY! GOOD TO SEE YOU ALIVE!

SUNNY/SOLARIA  
 Thank you, sir. Good to be alive!

BERRINGER  
 (to Sunny)  
 Can you breach it?!

SUNNY/SOLARIA  
 I'll try!

Like a damn of light bursting, Solaria bombards the 20 X 20 foot cube with the energy of the sun from her eyes. Slowly The Cube walls begin to DISSOLVE.

LAB RAT  
 SHE'S DOING IT!

After tense moments, The Cube ceiling and walls melt. ENIGMA IS RELEASED! He falls to the floor of the containment room.

Dr. Cho and Medi-Techs in Haz-Mat suits rush over and frantically apply paramedic services to Enigma.

DR. CHO  
 HE'S IN TRAUMA!

BERRINGER  
 DOES HE BREATHE OXYGEN?!

Suddenly Membrain's VOICE is HEARD.

MEMBRAIN  
NO! NOT YET!

Membrain enters the room in a CLEAR CONTAINMENT CUBE on a hover bay controlled by armed guards and accompanied by Darian Dragon. Cosmo, the baby bio-bot hovers next to Darian.

MEMBRAIN  
GIVE HIM OZONE! TRI-OX! NOW!

DR. CHO  
(to Berringer)  
Whatever we're gonna do, we better  
do it quick!

Tense beats pass...

BERRINGER  
DO IT!

Dr Cho adjusts the settings on the breathing unit to pump ozone then places the breathing mask over Enigma's mouth and nose.

ICKY  
They gotta save him, Ant!

ANTHONY/DAEDALUS  
I know, Icky, they're trying!

MEMBRAIN  
LET ME OUT! LET ME GO TO HIM! IF  
YOU WANNA SAVE ENIGMA!

After a studied pause, Berringer MOTIONS to the Assault Team. They JUMP to readiness position with blasters pointed at Membrain.

BERRINGER  
You get my meaning, Membrain?!

Membrain nods "YES".

DR. CHO  
WE'RE LOOSING HIM!

Techs unlock the containment cube and Membrain jumps down to the polished floor. He runs over to Enigma and kneels down beside him. His eyes soften as he touches Enigma.

MEMBRAIN  
Father...

SUNNY/SOLARIA  
Father?

ICKY  
Did he say, Father?!

MEMBRAIN  
I knew you were here. I felt you.  
I'm going to help you!

Membrain presses his hand against Enigma's abdomen creating a LUMINESCENT CHARGE. Enigma's abdomen opens naturally.

DARIAN  
What's he doing?

Membrain reaches into the opening and removes a SICKLY, SHRIVELED NON-HUMAN ORGAN. Dr. Cho motions for Cosmo. The hovering bio-bot flies over. Membrain hands the smoldering organ Cosmo.

Membrain OPENS HIS SHIRT and strokes his abdomen creating a LUMINESCENT CHARGE and a SLIT in his skin. He reaches into his own body and removes a HEALTHY NON-HUMAN ORGAN.

DARIAN  
THE RADION ORGAN!

Membrain gently places The Radion Organ into Enigma's body cavity. The organ auto-connects with Enigma's internal structure.

DR. CHO  
My God...

The opening closes on Membrain's abdomen. Enigma GASPS with a deep life affirming breath, then EXHALES with a vital aspiration. The opening in Enigma's abdomen closes and his dead BLACK EYE BALLS become a vibrant GRAY BLUE like Membrain's.

MEMBRAIN  
Father, I'm here!

DR. CREEPER  
How is it possible Enigma's Membrain's father? He's been locked in The Cube for thirty years.

BERRINGER  
It's not possible.

Membrain holds Enigma's hand and smiles. Enigma's fingers slowly close around Membrain's small hand.

Tears roll down Darian's cheek.

Enigma's eyes behold Membrain. He returns the smile. After decades of aloneness, floating in an awake-dream inside The Cube, he is finally, at long last, free.

INT. DIVINE'S SECRET BASE - ASSEMBLY BAY - AT THE SAME TIME

Donald's hover pad floats over his Congregation of 500 wealthy and powerful people.

DIVINE  
 CONGREGATION OF THE BLUE KEY, YOU  
 HAVE SUFFERED FOR SO LONG THE SCORN  
 OF THE UNSUCCESSFUL! YOU GIVE, ONLY  
 TO BE TOLD IT'S NOT ENOUGH BY THE  
 UNGRATEFUL! YOU HAVE KEPT SECRET  
 THIS PILGRIMAGE, AS I ASKED, FOR  
 FEAR OF RIDICULE. SO IT IS TIME FOR  
 ME TO SHOW YOU APPRECIATION FOR  
 YOUR DEVOTION. YOUR SECRET  
 CONTRIBUTIONS HAVE HELPED  
 FINANCE... A DREAM!!!

Some Congregation members applaud, but some have second thoughts and try to leave. Divine's soldiers SHOOT THEM as they run. A collective PANIC sets in.

ALLEN DOWER  
 DIVINE! NO!

DIVINE  
 RECEIVE NOW MY GRATITUDE!

Divine pushes a button on his control panel and the large CIRCULAR SILVER DISC on the floor with DIVINE'S INSIGNIA, slides open to reveal an enormous pit of BLUE GOO.

DIVINE  
 BEHOLD! SYNTHETIC RADION!

The Congregation is confused and scared. Divine's soldiers point their AUTOMATIC RIFLES at them. The Congregation yells out in terror. Suddenly, from behind them, the walls begin to MOVE IN on all sides forcing The Congregation tightly together and PUSHING THEM INTO THE PIT. The gooey Radion envelops them as they gag and gurgle like frogs flopping in motor oil.

THE CONGREGATION/ VARIOUS VOICES  
 AAAAAAGGGHHH!!! NO! LET ME OUT!! I  
 HAVE A FAMILY! HELP!!! DIVINE  
 ONE!!! WE ARE YOUR CONGREGATION!

Allen Dower looks on in horror.

ALLEN DOWER  
 DIVINE! WHAT ARE YOU DOING?!

Divine motions to his soldiers. They rush over and grab Allen.

ALLEN DOWER  
GET OFF ME! I'M CIA DIRECTOR! YOU  
CAN'T DO THIS!

Divine motions for them to throw him in the pit.

ALLEN DOWER  
DIVINE! I'VE BEEN FAITHFUL! I  
ARRANGED EVERYTHING TO GET THEM  
HERE IN SECRET! WHY ARE YOU DOING  
THIS TO ME?!!!

DIVINE  
No reason.

Allen Dower is thrown screaming into The Pit. Warhead manages a sick, wretched laugh of revenge as the circular silver cover closes, slowly drowning out Allen Dower and The Congregation's screams for mercy. It slams shut with a terrifying KLING!

Divine turns ominously toward Goodfriend.

DIVINE  
Rev. Goodfriend. You have been a  
good friend.

REV. GOODFRIEND  
And I require no demonstration of  
gratitude!

DIVINE  
You have outlived your usefulness,  
Goodfriend. Once I have The Agena  
Starship I will have no further  
need for The Faith... or The  
Faithful.  
(to the Soldiers)  
SOLDIERS, TO YOUR BATTLE PODS!

Divine's Soldiers rush up the platform to Warhead's body. They open the hatches to various BATTLE PODS built into the Warhead Shell: The MANTA JET (on Warhead's back), The SHOULDER POD (Warhead's right shoulder), CHEST POD, THIGH PODS Left and Right, The PREDATOR BATTLE TANK (Warhead's left shoulder).

Divine HOVERS over to Warhead and removes The Blue Key from his helmet. Divine's skin becomes translucent. The ROOF of the secret base OPENS. The DemiGod Manta Jet on Warhead's back fires up. Divine pushes a button on his controller and Warhead flies up and out into the starry night. Divine's hover-platform follows behind and they disappear into the night sky.

Rev. Goodfriend stands alone and walks over to the large, circular silver disc on the floor. MUTED CRIES AND SCREAMS FOR HELP are heard underneath from Allen Dower and The Congregation now condemned to Radion Hell.

REV. GOODFRIEND  
 (to self)  
 The Congregation... what curse of  
 transmutation will time produce?

SUPERIMPOSE NEWS REPORT

REPORTER

Tragic news to report today. A  
 private plane crashed into the  
 Pacific Ocean claiming the lives of  
 500 people, pilot and crew,  
 including CIA Director Allen Dower.  
 Many of the dead are some of the  
 most wealthy in the world.  
 Authorities are puzzled at why the  
 CIA Director would have been on the  
 plane.

INT. MAJESTIC CITY - CELESTIAL TERRACE - THAT EVENING

Merrill Majestic, Commander Berringer, Peter Dragon, Darian  
 Dragon, Anthony and Star, Icky & Sumo, Dr. Singh, Armor  
 Geddon, Sunny, Dr. Cho and other top Majestic personnel  
 attend a private gathering. Anthony and Star share a private  
 moment as Star looks up at the night sky.

STAR

The sky is so beautiful from here,  
 wherever here is. Anthony, can we  
 go somewhere, just you and me?

ANTHONY/DAEDALUS

Where would you like to go?

STAR

Back home. Where we can be normal.

ANTHONY/DAEDALUS

Merrill said we can leave when ever  
 we want. But I don't think we'll  
 ever be normal again. I love you,  
 Star, for sticking by me and not  
 letting me give up when I thought I  
 had nothing to live for. I'll  
 always be yours wherever love takes  
 us.

STAR

I love you too.

They kiss.

ANGLE ON:

Icky as he stares at Sunny in her revealing outfit. She gives him a knowing smile.

SUNNY/SOLARIA  
And what are you thinking about?

ICKY  
Ugh...

SUNNY/SOLARIA  
Yes...

ICKY  
Can I ask you a personal question?

SUNNY/SOLARIA  
Sure.

ICKY  
If you turn into gas when you fly... why don't your clothes come off?

SUNNY/SOLARIA  
I'll tell you if you promise not to tell anyone.

ICKY  
Ok...

Sunny bends down and whispers in his ear.

SUNNY/SOLARIA  
(sexy)  
Because I'm wearing magic underwear.

She gives him a sexy WINK. Icky's face twists under the weight of his prepubescent fantasy.

ANGLE ON:

Darian as she speaks with Peter.

DARIAN  
How are you feeling?

PETER  
I don't tell Berringer the truth, Dari. I don't know if I can make it.

DARIAN  
You've got to unvolunteer, Peter! Berringer's moving too fast with the Radion experiments! Look at what happened to Sunny and Ravi. They're lucky to be alive!

DARIAN (CONT'D)  
 (looking over at Sunny)  
 If you call that living. Why are  
 you taking this risk? For what?!

PETER  
 Don't ask me. I can't tell you,  
 sis.

Darian is stunned to silence.

ANGLE ON:

Merrill as he looks up at the sky. Berringer walks up to him.

BERRINGER  
 A penny for your thoughts.

MERRILL  
 That plane crash, the manifest list  
 read like a who's who... and Allen  
 Dower.

BERRINGER  
 You think Quinn's suspicions about  
 Dower were...?

MERRILL  
 Yes. I think they all had secret  
 ties to Divine. The money, and he  
 never could have made that arms  
 purchase without an inside  
 connection. His plans are in  
 motion, Jason. He wants the Agena  
 Starship so he can escape Earth's  
 Doomsday predicted on the  
 HoloGlyph. I've been unwise not to  
 protect Majestic City with arms  
 against attack. I thought we'd  
 always be protected inside the  
 Virtual Fold.

BERRINGER  
 You're worried Divine can breach  
 Sky Portal.

MERRILL  
 With the Blue Key, and now the  
 weaponry...

Suddenly, Sumo BARKS! Everyone looks as Enigma and Membrain  
UN-CAMOUFLAGE. Enigma is holding Membrain's hand.

MEMBRAIN  
 Me and my father are connected now.  
 I can understand his thoughts  
 through The Organ of Life.

ICKY  
 (under his breath to  
 Anthony)  
 He really believes Enigma is his  
 father.

MEMBRAIN  
 He doesn't remember his real name  
 so you can call him by the name you  
 gave him, Enigma. He wants to thank  
 you for freeing him, especially  
 Sunny.

Sunny NODS graciously.

MEMBRAIN  
 (stepping up to Icky)  
 I'm sorry about your mom. But I  
 don't think it was me who started  
 Radion Syndrome. I just wanted  
 everyone to think it was. I'm  
 pretty sure Warhead made synthetic  
 Radion from my blood. It wouldn't  
 be hard, even for his dumb ass.

ICKY  
 Then you shouldn't be held  
 responsible.

Membrain walks over to Sunny.

MEMBRAIN  
 Sunny, I'm sorry for changing you  
 into Solaria. I know you can never  
 forgive me.

SUNNY/SOLARIA  
 I am now who I am. And because of  
 it Enigma is free.

BERRINGER  
 Greetings, Enigma, and welcome to  
 Majestic.

Membrain looks up at Enigma and appears to convey the  
 sentiment telepathically. Enigma SMILES and NODS GRACIOUSLY.

EXT. BLACK ROCK DESERT - NEVADA - AT THE SAME TIME

WarBorg and Donald Divine on his hover-platform fly through  
 the sky over the desert. Divine holds out The Blue Key as  
 they approach the Twin Peaks of the Black Rock Mountains. An  
 ENERGY FIELD surrounds The Blue Key. RED BOLTS OF ENERGY  
 shoot out from the key. Suddenly, Sky Portal opens with a  
 violent RIPPING SOUND.

INT. MAJESTIC CITY - CELESTIAL TERRACE - AT THE SAME TIME

Suddenly, A DEVASTATING SONIC EXPLOSION interrupts the fellowship and rocks Majestic City.

ICKY  
WHAT WAS THAT!?

Merrill and Berringer rush away into the corridor and everyone follows as more explosions are heard.

INT. CORRIDOR

Berringer hits a Com button on the wall.

BERRINGER  
Command and Control what's going on?!

INT. LAUNCH BAY ONE

Techs and Mech rush to their stations. Lynn is at the Com.

LYNN  
Sky Portal's been breached, sir!  
We're picking up some kind of... we don't know what it is! But it's over 50 feet high and coming fast!

INT. CORRIDOR

MERRILL  
(to Berringer)  
DIVINE!

BERRINGER  
Go to Protocol! Run the CyForce in retrograde! SEAL THE BREACH!

Peter hits a button in front of a LARGE MONITOR SCREEN on the wall.

ON MONITOR SCREEN - The Sky Portal vortex is OPEN and SWIRLING VIOLENTLY.

ICKY  
What's happening?!

ON MONITOR SCREEN - Warhead and Divine on his hover platform SURGE OUT from the breach.

ARMOR GEDDON  
What the Hell is that?!

BERRINGER  
BATTLE STATIONS!

MERRILL  
(to Membrain)  
Can Enigma help us?!

Membrain looks up at Enigma.

INT. MAJESTIC CITY - AGENA STARSHIP BAY - LATER

The Majestic Force enters in FULL BATTLE GEAR. Majestic crews, mechs, techs, scientists, executives, and staff gather.

They stand before THE AGENA STARSHIP. Everyone reacts with AWE. The Agena Starship is 25 yards in length. Its design is like nothing on Earth. Enigma's facial expression harkens a distant memory. He walks up to the ship and touches it.

Explosions are HEARD in the background. Merrill Majestic steps onto an elevated platform above the large throng of people.

MERRILL  
(pointing at the ship)  
THE AGENA STARSHIP! THIS IS THE  
REASON MAJESTIC EXISTS! AND IT WILL  
BE THE REASON WE CEASE TO EXIST IF  
WE DON'T STOP DONALD DIVINE!

INT. LAUNCH BAY ONE - MINUTES LATER

Top Cat kisses Lynn and rushes into StarPhazer. The Majestic Force rushes toward STARPHAZER. Enigma enters StarPhazer ahead of them.

Dr. Singh is in his Creeper Suit with Seek at the ready. Anthony is carrying a MYSTERIOUS SILVER METAL CASE.

DR. SINGH/DR. CREEPER  
What's in the case?

ANTHONY/DAEDALUS  
My mojo.

The Majestic Force enters and the hatch shuts -- Explosions can be HEARD in the distance. StarPhazer takes off.

INT. STARPHAZER

Enigma stands before the Majestic Force.

ARMOR GEDDON

(to Anthony)

How can he help us? We can't even  
communicate with him!

Suddenly, an ENERGY RIBBON shoots out from Enigma's abdomen. It binds and ties together the entire Majestic Force and Top Cat at their abdomens. The energy shoots through their bodies, lifting them into the air. Their bodies lock in mid-air and their facial expressions momentarily go into SHOCK.

ICKY

What's happening?!

ENIGMA (V.O.)

I... AM... ENIGMA.

ICKY

I CAN HEAR HIM!

SUNNY/SOLARIA

I hear!

DR. SINGH/DR. CREEPER

So do I!

ARMOR GEDDON

Me too!

ENIGMA (V.O.)

If you are in trouble, call my  
name.

Everyone drops to the floor. Enigma vanishes as if pulled into another dimension.

ANTHONY/DAEDALUS

What in the Hell does that mean?!

DR. CREEPER

Let's hope we don't have to find  
out!

EXT. MAJESTIC CITY - AT THE SAME TIME

Warhead attacks Majestic City. Donald Divine FLIES in his hover-platform high above.

DIVINE (ON HEADSET)

WARHEAD! DESTROY MAJESTIC!

Donald pushes a button on his panel, sending bolts of pain through Warhead's body.

WARHEAD

AAAAAARRRGGGGGH!!!

INT. STARPHAZER

Looking out the windows at Warhead.

ANTHONY/DAEDALUS  
What a monster!

Icky sits in his Gyro-Chair in front of the 360 degree screen. StarPhazer's hatch opens and Sunny prepares to fly out into battle.

Armor Geddon CLASHES together the two metal bands on his wrist and his CyGen Suit POWERS ON.

Dr. Singh and Seek stand prepared.

DR. SINGH/DR. CREEPER  
(to Armor)  
You mind giving me a lift to the party?

ARMOR GEDDON  
Sure thing Dr. Creeper! Just don't take all the girls!

Sunny jumps out and flies toward Warhead. Armor grabs Dr. Singh in his CyGen grip and jumps out of StarPhazer to the ground. Dr. Singh runs into battle.

EXT. MAJESTIC CITY - GROUND

ARMOR GEDDON  
(self)  
OK, come on chromaflage, WORK! This is no time for Farmer Geddon!

Armor pushes a button combination and his chromaflage engages. He blends into the background.

ARMOR GEDDON  
NOW WE'RE TALKING!

Armor's Wrist Cannons spin off rounds of pulverizing plasma bulbs at Warhead. Warhead looks down but can't see Armor.

Dr. Singh shoots at Warhead with his blaster while Seek fires laser beams from his eyes.

INT. STARPHAZER

Anthony places the mysterious silver metal case in front of him and prepares to open it.

ANTHONY/DAEDALUS  
You ready for this?

ICKY

No.

Anthony opens the case. They stare at the CONTENTS then at each other. We don't see what they are looking at.

ICKY

Can't we practice first?

INT. MAJESTIC CITY - COMMAND & CONTROL ROOM

Berringer and Membrain enter the Command & Control Room. A large SCREEN appears showing the battle with Warhead.

WARHEAD

WARHEAD!!! AAAAAGGGHHH!!!

His SUPER AMPLIFIED VOICE BELLOWS over the desert battlefield.

BERRINGER

JACK?! What did Divine do to him?!

MEMBRAIN

Looks like ole' Jack's been hittin' the beanstalk!

BERRINGER

Membrain, seven years ago, someone sent a warning to Majestic that my plane was in danger. Merrill said he doesn't know where the warning came from but without it I would have died with my wife on that mountain. Do you know anything about this?

MEMBRAIN

Yeah, it was me. I overheard Warhead plotting.

BERRINGER

Thank you.

Membrain smiles.

EXT. MAJESTIC CITY

Warhead lands on the ground.

WARHEAD

BATTLE PODS! RELEASE AND ATTACK!

The BATTLE PODS dislodge from Warhead's cyborg shell and fly out into the battle SWOOPING AND BLASTING.

The PREDATOR TANK on his left shoulder jumps down on SPIDER-LIKE LEGS and walks the battlefield firing photon blasts. The DEMIGOD MANTA JET on his back streaks up into the air and swoops down on Majestic City firing missiles that slam into the city's protective CyForce Field.

INT. LAUNCH BAY ONE

The missiles rock the CyForce Field.

CYFORCE TECH  
CYFORCE FIELD HOLDING!

LYNN  
CRACK THOSE MAG-FRAMES! GET ME SOME  
JUICE FROM SKY PORTAL!

EXT. MAJESTIC CITY

Sunny attacks the Battle Pods. Armor, Dr. Singh and Seek attack the Predator Tank.

INT. PERIPHERAL LUNAR ORBITAL

Merrill and Della One watch the battle raging on a large MONITOR SCREEN.

DELLA ONE  
Merrill, there's a transmission  
requesting access.

MERRILL  
From who?!

DELLA ONE  
It's sealed with a cypher, "Dark  
Dawn".

MERRILL  
Put it through!

Divine appears on the screen.

DONALD  
Merrill Majestic!

MAJESTIC  
Donald Divine.

DIVINE  
I'm here for Agena!

MERRILL  
You won't get it, now or ever!

DIVINE

Earth is doomed! I won't stay and be destroyed! I discovered the starship! You were my helper! I claim the right to be Earth's last survivor!

MERRILL

One twisted man's selfish dream!

DIVINE

AGENA ISN'T YOURS! BUT IT WILL BE MINE... AGAIN!

MERRILL

And I'll do everything in my power to STOP you... AGAIN!

The transmission cuts off.

EXT. MAJESTIC CITY - GROUND

Warhead switches to INFRARED SIGHT and sees Armor despite the chromaflage. Warhead fires pulsar blasts hitting Armor and knocking him across the battlefield. He runs over to Armor and steps on him with his giant boot.

WARHEAD

YOU'RE ALL INSECTS TO ME NOW!

Armor's CyGen energy field begins to weaken under the pressure of WARHEAD's boot.

ARMOR GEDDON

(self)

Alright, spaceman, I'm in trouble!

(shouting out loud)

ENIGMAAAAAAAA!!!

Enigma APPEARS from thin air, sliding into the scene FROM THE VIRTUAL DIMENSION. He protects Armor with his force field and throws WARHEAD's boot off. Armor jumps up and escapes.

ARMOR GEDDON

THANKS, BUDDY, I OWE YOU ONE!

Enigma vanishes back into *the* virtual dimension.

Divines OBSERVES Enigma's intervention from his hover-platform high in the air above the battle.

DIVINE

(to self)

ENIGMA! How can it be?

Divine zips away from the battle.

EXT. BLACK ROCK MOUNTAIN FACE

Divine hovers to the WESTERN FACE of the mountain and maneuvers to a FLAT ROCK SECTION. Divine holds the Blue Key out facing the rock. Suddenly, the flat rock OPENS TO REVEAL A HIDDEN ENTRANCE into Majestic.

INT. COMMAND AND CONTROL

An alarm SOUNDS.

LYNN  
COMMANDER! WE'RE BREACHED!

Berringer looks over to see the ALERT panel on the control board.

BERRINGER  
The Western Face...

INT. SECRET MOUNTAIN ENTRANCE

Divine enters. Peter Dragon is there holding his blaster pistol at him. Divine is startled!

PETER  
Welcome to Majestic! You got past our defenses.

Then suddenly, Peter KNEELS with holy reverence for Divine.

PETER  
I come to serve.

DIVINE  
You've done well, Peter Dragon. Now take me to Agena!

INT. AGENA STARSHIP BAY - MOMENTS LATER

Peter and Divine enter the bay. The Agena Starship is in front of them.

DIVINE  
AGENA! It's been a long time!

They rush up to the HATCH -- it opens -- they enter the starship. Explosions continue to rock Majestic City (O.S.)

INT. AGENA STARSHIP

Divine walks over to a MECHANISM with alien alloy veins and arteries, mechanized muscle tissue, and fibrous tendons, more biological than mechanical.

He INSERTS The Blue Key into the IGNITION in the top of the mechanism and the starship powers on. A large STAR CHART appears in mid-air depicting the MILKY WAY.

Donald touches a panel and the Milky Way map becomes a MAP OF THE EARTH.

INT. AGENA STARSHIP BAY

Berringer and an Assault Team rush down the ramp toward the ship. Peter hears them coming and rushes to the starship's open hatch.

PETER  
COMMANDER! STOP!

DIVINE  
KILL THEM, DRAGON! I COMMAND YOU!

Peter rushes out of the Agena ship and pulls his blaster. He fires at Berringer and the Assault Team.

BERRINGER  
PETER! WHAT ARE YOU DOING?!

Their eyes meet in a glare of stress.

PETER  
STAY BACK! I WILL PROTECT THE  
DIVINE ONE WITH MY LIFE!

Peter fires his blaster at Berringer missing him. The Assault Team fires back.

BERRINGER  
NO! DON'T SHOOT! IT'S THE RADION  
TREATMENTS! SOMETHING'S GONE WRONG!

The Agena Starship hatch begins to CLOSE.

PETER  
NO! DIVINE ONE, DON'T LEAVE ME!

Peter jumps at the hatch and latches on to it. He lands halfway inside the ship.

Berringer grabs a large CRYO-FREEZE RIFLE and FIRES a stream of frozen webbing at Peter. The sticky substance covers Peter and the open starship door like a silk cocoon and creates a thick cold WEB-ROPE attached to the web gun.

Berringer and the Assault Team all strain and pull the web-rope. Peter grips the door-well in an attempt to hold on to the ship.

BERRINGER  
PULL! PULL!

PETER  
DIVINE ONE! HELP ME!

Divine appears in the entrance above Peter.

DIVINE  
I WILL HELP YOU... TO SACRIFICE  
YOURSELF!

Divine STOMPS on Peter's hands. He loses his grip and falls. The doors shut. Peter now hangs outside the ship wrapped in the cryo-freeze webbing as Berringer and the Assault Team pull.

INT. THE AGENA STARSHIP

Divine rushes back to the EARTH NAVIGATION SCREEN. He programs in his secret mountain base coordinates.

EXT. MAJESTIC CITY - GROUND - AT THE SAME TIME

The battle continues.

WARHEAD  
(to the Battle Pods)  
TARGET MAJESTIC CITY!

Warhead and the soldiers in the Battle Pods unleash the full battery of their fire power on the glistening futuristic city towers and domes. The blasts slam into the walls of the city smashing it.

ANTHONY/DAEDALUS  
NOOOO!!!!

Anthony appears from of the sky -- streaks down on his V-Wings. He is wearing MEMBRAIN'S PYRAMID MAKER on a special harness over his head. The device emits a POWERFUL RED PARTICLE BEAM DOWN ONTO HIS HEAD. Anthony lands in front of Warhead. ANTHONY IS NOW 50 FEET TALL.

ANTHONY/DAEDALUS  
I HATE BULLIES!

INT. STARPHAZER

ICKY  
ME TOO!

Icky pushes a button combination and Anthony PUNCHES WARHEAD in the face knocking him down. He crashes and slides across the arid plane.

TOP CAT

YES!!!

DR. SINGH/DR. CREEPER

NOW THAT'S A MOJO!

Warhead gets up and battles Anthony/Daedalus.

Icky frantically pushes buttons trying to make Anthony/Daedalus grow bigger than Warhead but he won't grow another inch.

ICKY

GET BIGGER! GET BIGGER! WHAT DO I  
HAVE TO DO?!!!

ANTHONY/DAEDALUS (ON HEADSET)

DON'T WORRY ABOUT IT! WE'RE PUSHING  
THE LIMIT! JUST KICK SOME ASS!

[WARHEAD DAEDALUS FIGHT GOES HERE]

Sunny strafes the Battle Pods with her eye-beams. LIQUID MIRROR SURFACES emerge from the pods' underside reflecting the solar beams away.

SUNNY/SOLARIA

MIRRORS!

The Pods guide the beams back at Sunny HITTING HER swirling inside her bio-hydro body. She agonizes in mid-air as the energy builds up inside her then combusts, burning off the hydrogen in her composite body. Her body solidifies into flesh again and she free falls dangerously toward the ground. She SCREAMS.

SUNNY/SOLARIA

ENIGMAAAAAA!!!

Enigma appears from the Virtual Dimension and catches her in mid-air.

ENIGMA (V.O.)

I believe the correct term is,  
"GOTCHA!"

SUNNY/SOLARIA

Definitely!

Armor dodges blasts from the Predator Tank as it moves nimbly on its spider legs. He runs toward it and fights hand to hand, CyGen against Tank. Armor slams his CyGen fists into the sides of the tank. The Predator's mechanical arms punch back.

Armor throws an uppercut to the engine and side kick to the cockpit. Armor grabs the tank barrel and flips the Predator to the ground.

ARMOR GEDDON  
GROUND AND POUND!

Armor slams CyGen his hammer fists into the tank until it explodes.

INT. AGENA STARSHIP BAY

The Agena Starship fibrillates and slowly DISAPPEARS into super-luminal space travel. Peter, wrapped in cryo-webbing, dangles on the end of the web-rope that's stuck to the door. He is PULLED with the ship.

PETER  
AAAAAGGGHHHHHHHHHHH!

The Assault Team forcefully restrains Berringer from continuing to pull at the web-rope and himself being dragged with the ship.

ASSAULT TEAM MEMBER  
COMMANDER, YOU CAN'T SAVE HIM! LET  
HIM GO!

BERRINGER  
NOOOOOOO!!!

ASSAULT TEAM MEMBER  
PETER DRAGON'S A TRAITOR! HE  
DESERVES WHAT'S COMING TO HIM!

Berringer closes his eyes in anguish.

EXT. AGENA STARSHIP

The ship does not fly through space like a plane, but rather "shrinks space" around the ship to move the destination closer.

INT. AGENA STARSHIP

DIVINE  
(to self)  
SUPER-LUMINAL SPACE TRAVEL! THE  
GALAXY IS MINE!

EXT. AGENA STARSHIP - UNDER THE SHIP

Peter Dragon's face and body distort under the force of the space wind.

The cryo-freeze webbing sucks tight around Peter's body forming a frozen, mummy-like cocoon dangling on the end of the web-rope. It swings to and fro violently then STICKS to the UNDERSIDE of the ship.

EXT. MAJESTIC CITY - AT THE SAME TIME

Anthony/Daedalus continues to battle Warhead.

INT. DONALD DIVINE'S SECRET BASE - LANDING BAY - MOMENTS LATER

The starship RE-MATERIALIZES and the hatch door opens. Unknown to Divine, Peter is still stuck to the underside of the ship in a frozen cocoon of cryo-webbing. Divine exits the ship. Goodfriend is standing on the platform.

REV. GOODFRIEND

I see your quest for the Agena Starship has been successful.

DIVINE

(smug and mean)

Are you still here?

He walks past Goodfriend with arrogant disregard.

INT. MAJESTIC CITY

MAJESTIC CITY CRUMBLES as it is rocked by missiles from WarBorg's Battle Pods. Everyone runs for their lives. Berringer runs through the corridors as the city falls.

BERRINGER

EVACUATE! AVOID THE TRAM TUBES!  
EVERYONE TO THE EVAC TUNNELS! TO  
THE TUNNELS!

EXT. MAJESTIC CITY

Warhead's flying Battle Pods fire PHOTON BLASTERS at Majestic City. The city explodes under the barrage.

Anthony and Warhead stop fighting as Majestic City goes up in flames. The buildings crash into each other. Divine's Soldiers in their Warhead Battle Pods CHEER!

WARHEAD

MAJESTIC CITY IS DESTROYED! BATTLE  
PODS RETURN!

The Battle Pods fly back to Warhead and RE-ATTACH to their POD BAYS on The Warhead shell.

The DemiGod Manta Jet returns to Warhead's back and re-connects. The jet engines lift Warhead up into the air.

WARHEAD  
THIS DAY IS OURS!!!

A large throng of Majestic citizens emerge into the desert from the Evac Tunnels leaving Majestic City to fall in ruin behind. Berringer carries Membrain in his arms. Star carries Sumo. Lynn Kang, Dr. Cho, Darian, Lab Rat, and Jake emerge. They are all dirty and tattered but alive.

DARIAN  
PETER! PETER! WHERE'S PETER!

BERRINGER  
Darian, I'm sorry, we lost Peter.

DARIAN  
NO!

Berringer hugs her. StarPhazer lands near the great throng of people. Anthony, Icky, Armor Geddon, Dr. Singh, and Top Cat emerge. Sunny flies in and lands. Enigma APPEARS from the virtual dimension.

Icky pushes a button and Membrain's Pyramid Maker on Anthony's head emits a BLUE PARTICLE BEAM -- Anthony slowly shrinks back down to normal size. He lands and his V-Wings snap off.

ANTHONY/DAEDALUS  
I'm sorry Commander... we failed.

A huge SONIC BOOM is heard. It turns the sky red and shakes the ground.

LYNN  
OH NO! The Virtual Fold will collapse! We'll be visible to the outside world!

Suddenly, A WAVE of energy washes overhead.

BERRINGER  
We're exposed!

POLICE SIRENS are HEARD from all directions in the desert. POLICE HELICOPTERS head their way.

INT. POLICE HELICOPTER

The PILOT looks down and sees the huge throng of Majestic City citizens.

POLICE PILOT (ON HEADSET)  
 There must be a thousand people  
 down there. There's a... A CITY!  
 It's burning but it's there in the  
 desert! My God! Where'd that come  
 from?!

EXT. MAJESTIC CITY

Enigma raises his arms and closes his eyes. Suddenly, a great WAVE OF VIRTUALITY spreads over everyone. An ENERGY BEAM shoots out of Enigma's abdomen and connects to the abdomens of the entire throng of people. They rise into the air then... VANISH.

INT. POLICE HELICOPTER

POLICE PILOT (ON HEADSET)  
 THEY DISAPPEARED! THEY WERE THERE!  
 A THOUSAND PEOPLE JUST VANISHED!  
 AND THE CITY... WHERE'D IT GO?!

ANTHONY/DAEDALUS  
 (to Enigma)  
 What happened?!

ENIGMA (V.O.)  
 We are back under a cloak of  
 virtuality. No one can see us. I  
 can hold it for a short time. But  
 we must find cover.

LYNN  
 I can hear Enigma speaking!

DR. CHO  
 Me too!

Like a mirage, a MAN appears in the distance driving a hovercraft.

ICKY  
 LOOK!

BERRINGER  
 Enigma, can he see us?!

ENIGMA (V.O.)  
 He is in virtuality. He can see us.

The hovercraft ARRIVES at the Majestic Throng. The Assault Team points their blaster at the man.

BERRINGER  
 Who are you?

REV. GOODFRIEND  
I am Rev. Goodfriend. I have served  
Donald Divine.

BERRINGER  
(to Assault Team)  
Take him!

REV. GOODFRIEND  
But I don't anymore!

BERRINGER  
What do you want?

REV. GOODFRIEND  
I offer only comfort in your time  
of need. I am Rev. GOOD-FRIEND.

BERRINGER  
Thank you, Rev. Goodfriend, but we  
have no need for your services.

They MOVE past him.

REV. GOODFRIEND  
Wait!

Goodfriend touches a HIDDEN LATCH and his entire THIGH opens  
like a lid. A CYLINDER rises.

SUNNY/SOLARIA  
HE'S A SYNTH!

Goodfriend takes the cylinder out.

REV. GOODFRIEND  
I am certain you will find a useful  
purpose... for THIS.

He opens the cylinder and reveals THE BLUE KEY.

BERRINGER  
THE BLUE KEY! THE AGENA KEY!

INT. DONALD DIVINE'S SECRET BASE - LANDING BAY

Donald Divine frantically SEARCHES inside THE AGENA STARSHIP.

DIVINE  
(to self)  
WHERE COULD IT BE?! I HAD IT! WHERE  
IS IT?! IT WAS JUST...  
(realizing)  
GOODFRIEND! NO!  
REV. GOODFRIEND! GOODFRIEND!  
(beyond anger)

DIVINE (CONT'D)  
 GOOOOOODDDDDFFFFFRRIIEEENNNNDDDD!!!  
 GOOOOOODDDDDFFFFFRRIIEEENNNNDDDD!!!

EXT. BLACK ROCK DESERT - AT THE SAME TIME

Suddenly, an enormous TRANSPORT SHIP lands in front of the multitude, then another and another. Four in all. The HATCH of the lead ship opens and Merrill Majestic steps out with urgency.

MERRILL  
 JASON!

BERRINGER  
 MERRILL! Majestic City is  
 destroyed.

They look out over the burning city.

BERRINGER  
 Divine stole Agena and we lost  
 Peter Dragon.

Merrill REACTS.

BERRINGER  
 But we got this...

Berringer hands Merrill The Blue Key.

MERRILL  
 THE BLUE KEY! I don't understand!

BERRINGER  
 I'll explain everything.

Merrill, Berringer, The Majestic Force, the throng of hundreds board the transport ships. Rev. Goodfriend stands alone outside. Berringer looks back at him hesitantly, then...

BERRINGER  
 Come on.

Goodfriend nods graciously and boards the ship. The transport ships depart Earth.

CUT TO:

EXT. FOUR TRANSPORT SHIPS IN LUNAR ORBIT.

INT. MERRILL'S TRANSPORT SHIP - CONTINUOUS

As they turn the corner to the DARK SIDE OF THE MOON, the atmosphere over the gloomy.

MERRILL  
 (to Berringer)  
 It's taken years, but we were able  
 to replicate Sky Portal.

The barren moonscape fibrillates and the cloak of virtuality opens to reveal a stunning, glistening CITY OF LIGHT with DOMES and SPIRES greater and more spectacular than Majestic City.

BERRINGER  
 Merrill! I can't believe it! How  
 did you do this?!

MERRILL  
 The city on the tabletop in my  
 office.

BERRINGER  
 This is it?!

MERRILL  
 It was real. We used Membrain's  
 Pyramid Maker to enlarge it!  
 (to everyone)  
 Welcome to our new home...  
LUNAR MAJESTIC CITY!

ICKY  
 How can we survive on the moon?

MERRILL  
 We'll still be inside The Virtual  
 Fold created by Sky Portal. We'll  
 still be hidden, protected from  
 radiation, and we'll breathe air.

The Majestic population aboard the transport ships is in AWE.  
 FAMILIES EMBRACE.

ANTHONY/DAEDALUS  
 You're an amazing man Merrill  
 Majestic.

Membrain holds Darian's hand and comforts her as tears run  
 down her face at the loss of Peter.

ICKY  
 (to Anthony)  
 We've come a long way together.

ANTHONY/DAEDALUS  
 And we've got a long way to go.

Anthony puts his arm around Icky's shoulder.

Anthony/Daedalus, Star, Icky, Armor Geddon, Sunny/Solaria, Dr. Singh/Dr. Creeper, and Enigma look out over Lunar Majestic City.

INT. DONALD DIVINE'S SECRET BASE

CAMERA PANS ACROSS - THE LARGE SILVER DISC ON THE FLOOR WITH THE BLUE KEY CULT INSIGNIA.

Ghoulish gurgling and suffered screeching is HEARD from beneath the lid. The disc RATTLES like a sewer cap as filthy Radion goo oozes out. A nightmarish, distorted, BLUE HUMAN HAND and arm creep torturously from underneath the lid. There is a CIA RING on one finger.

Another hideous hand appears, then another, and another. A dreadful, terrifying word is uttered by hundreds of agonized, revenge-filled voices...

ALLEN DOWER & THE CONGREGATION  
DIVIIIIIIIIIIINE!!!

INT. DONALD DIVINE'S SLEEP CHAMBERS

Divine WAKES UP VIOLENTLY FROM HIS NIGHTMARE. He is not wearing his metal jaw. He is sweating and pale. The mechanisms that work his jaw are visible amid the torn flesh and tendons. His half-face is ghastly, as is the sound of him screaming...

DIVINE  
UUUUUUUUUUUUUGGGGGHHHH!!!

SMASH TO BLACK.
